

FEDERAL MARITIME COMMISSION

DOCKET NO. 14-16

BALTIC AUTO SHIPPING, INC.

v.

**MICHAEL HITRINOV a/k/a MICHAEL KHITRINOV and
EMPIRE UNITED LINES CO., INC.**

**DECLARATION OF JON WERNER IN SUPPORT OF
RESPONDENTS' PETITION REGARDING ATTORNEY FEES**

1. I am a member of Lyons & Flood, LLP, attorneys for Respondents in this and other matters. I submit this Declaration in support of Respondents' Petition Regarding Attorney Fees.

2. I am a 2005 graduate of the Benjamin N. Cardozo School of Law and admitted to practice in the federal and state courts of New York and New Jersey. I have practiced maritime law for over 10 years, representing vessel owners and operators, container shipping lines, NVOCCs and freight forwarders, and numerous other clients involved in marine transportation and logistics.

3. As attorney for Respondents in this matter and other matters, I am familiar with the work done on this matter by Lyons & Flood, LLP and the hourly rates charged for same. I performed all of the work invoiced by Lyons & Flood, LLP in this matter and I supervised the preparation and editing of all the invoices sent to Respondents for my services in this matter.

4. Attached hereto as Exhibit A are true and correct copies of the invoices issued to Respondents by Lyons & Flood, LLP in connection with this matter. As noted in these invoices, Respondents were billed by Lyons & Flood, LLP for a total of 239.8 hours of attorney work, at a total cost of \$68,343.00 (not including disbursements). However, Respondents are only seeking

recovery for 54.7 hours of this time, and thus, the billing entries for which no recovery is sought by Respondents are redacted.

5. The billing entries for which recovery is sought span from December 18, 2014 through September 28, 2015, and reflect work actually performed and necessary in this case. All of this work was performed by the undersigned and billed at a rate of \$285.00 per hour.

6. In addition, although no invoices have yet been generated with respect to this, the undersigned estimates that he has spent approximately 25 hours of attorney time preparing Respondents' Petition Regarding Attorney Fees, again at a rate of \$285.00 per hour.

7. The hourly rate charged by the undersigned in connection with this matter is below the rates charged by attorneys with similar skill and experience, as shown by reference to the Laffey Matrices attached as Exhibit B.

8. I declare under penalty of perjury that the foregoing is true and correct. Executed on July 19, 2017 in New York, NY.

The methodology of calculation and benchmarking for this Updated Laffey Matrix has been approved in a number of cases. See, e.g., *McDowell v. District of Columbia*, Civ. A. No. 00-594 (RCL), LEXSEE 2001 U.S. Dist. LEXIS 8114 (D.D.C. June 4, 2001); *Salazar v. Dist. of Col.*, 123 F.Supp.2d 8 (D.D.C. 2000).

* “Years Out of Law School” is calculated from June 1 of each year, when most law students graduate. “1-3” includes an attorney in his 1st, 2nd and 3rd years of practice, measured from date of graduation (June 1). “4-7” applies to attorneys in their 4th, 5th, 6th and 7th years of practice. An attorney who graduated in May 1996 would be in tier “1-3” from June 1, 1996 until May 31, 1999, would move into tier “4-7” on June 1, 1999, and tier “8-10” on June 1, 2003.

** The Adjustment Factor refers to the nation-wide Legal Services Component of the Consumer Price Index produced by the Bureau of Labor Statistics of the United States Department of Labor.

Explanatory Notes

1. This matrix of hourly rates for attorneys of varying experience levels and paralegals/law clerks has been prepared by the Civil Division of the United States Attorney's Office for the District of Columbia (USAO) to evaluate requests for attorney's fees in civil cases in District of Columbia courts. The matrix is intended for use in cases in which a fee-shifting statute permits the prevailing party to recover "reasonable" attorney's fees. *See, e.g.*, 42 U.S.C. § 2000e-5(k) (Title VII of the 1964 Civil Rights Act); 5 U.S.C. § 552(a)(4)(E) (Freedom of Information Act); 28 U.S.C. § 2412(b) (Equal Access to Justice Act). The matrix has not been adopted by the Department of Justice generally for use outside the District of Columbia, or by other Department of Justice components, or in other kinds of cases. The matrix does **not** apply to cases in which the hourly rate is limited by statute. *See* 28 U.S.C. § 2412(d).
2. A "reasonable fee" is a fee that is sufficient to attract an adequate supply of capable counsel for meritorious cases. *See, e.g., Perdue v. Kenny A. ex rel. Winn*, 559 U.S. 542, 552 (2010). Consistent with that definition, the hourly rates in the above matrix were calculated from average hourly rates reported in 2011 survey data for the D.C. metropolitan area, which rates were adjusted for inflation with the Producer Price Index-Office of Lawyers (PPI-OL) index. The survey data comes from ALM Legal Intelligence's 2010 & 2011 Survey of Law Firm Economics. The PPI-OL index is available at <http://www.bls.gov/ppi>. On that page, under "PPI Databases," and "Industry Data (Producer Price Index - PPI)," select either "one screen" or "multi-screen" and in the resulting window use "industry code" 541110 for "Offices of Lawyers" and "product code" 541110541110 for "Offices of Lawyers." The average hourly rates from the 2011 survey data are multiplied by the PPI-OL index for May in the year of the update, divided by 176.6, which is the PPI-OL index for January 2011, the month of the survey data, and then rounding to the nearest whole dollar (up if remainder is 50¢ or more).
3. The PPI-OL index has been adopted as the inflator for hourly rates because it better reflects the mix of legal services that law firms collectively offer, as opposed to the legal services that typical consumers use, which is what the CPI-

Legal Services index measures. Although it is a national index, and not a local one, *cf. Eley v. District of Columbia*, 793 F.3d 97, 102 (D.C. Cir. 2015) (noting criticism of national inflation index), the PPI-OL index has historically been generous relative to other possibly applicable inflation indexes, and so its use should minimize disputes about whether the inflator is sufficient.

4. The methodology used to compute the rates in this matrix replaces that used prior to 2015, which started with the matrix of hourly rates developed in *Laffey v. Northwest Airlines, Inc.* 572 F. Supp. 354 (D.D.C. 1983), *aff'd in part, rev'd in part on other grounds*, 746 F.2d 4 (D.C. Cir. 1984), *cert. denied*, 472 U.S. 1021 (1985), and then adjusted those rates based on the Consumer Price Index for All Urban Consumers (CPI-U) for the Washington-Baltimore (DC-MD-VA-WV) area. Because the USAO rates for the years 2014-15 and earlier have been generally accepted as reasonable by courts in the District of Columbia, see note 9 below, the USAO rates for those years will remain the same as previously published on the USAO's public website. That is, the USAO rates for years prior to and including 2014-15 remain based on the prior methodology, *i.e.*, the original *Laffey* Matrix updated by the CPI-U for the Washington-Baltimore area. See *Citizens for Responsibility & Ethics in Washington v. Dep't of Justice*, --- F. Supp. 3d ---, 2015 WL 6529371 (D.D.C. 2015) and Declaration of Dr. Laura A. Malowane filed therein on Sept. 22, 2015 (Civ. Action No. 12-1491, ECF No. 46-1) (confirming that the USAO rates for 2014-15 computed using prior methodology are reasonable).
5. Although the USAO will not issue recalculated *Laffey* Matrices for past years using the new methodology, it will not oppose the use of that methodology (if properly applied) to calculate reasonable attorney's fees under applicable fee-shifting statutes for periods prior to June 2015, provided that methodology is used consistently to calculate the entire fee amount. Similarly, although the USAO will no longer issue an updated *Laffey* Matrix computed using the prior methodology, it will not oppose the use of the prior methodology (if properly applied) to calculate reasonable attorney's fees under applicable fee-shifting statutes for periods after May 2015, provided that methodology is used consistently to calculate the entire fee amount.
6. The various "brackets" in the column headed "Experience" refer to the attorney's years of experience practicing law. Normally, an attorney's experience will be calculated starting from the attorney's graduation from law school. Thus, the "Less than 2 years" bracket is generally applicable to attorneys in their first and second years after graduation from law school, and the "2-3 years" bracket generally becomes applicable on the second anniversary of the attorney's graduation (*i.e.*, at the beginning of the third year following law school). See *Laffey*, 572 F. Supp. at 371. An adjustment may be necessary, however, if the attorney's admission to the bar was significantly delayed or the attorney did not otherwise follow a typical career progression. See, *e.g.*, *EPIC v. Dep't of Homeland Sec.*, 999 F. Supp. 2d 61, 70-71 (D.D.C. 2013) (attorney not admitted to bar compensated at "Paralegals & Law Clerks" rate); *EPIC v. Dep't of Homeland Sec.*, 982 F. Supp. 2d 56, 60-61 (D.D.C. 2013) (same). The various experience levels were selected by relying on the levels in the ALM Legal Intelligence 2011 survey data. Although finer gradations in experience level might yield different estimates of market rates, it is important to have statistically sufficient sample sizes for each experience level. The experience categories in the current USAO Matrix are based on statistically significant sample sizes for each experience level.
7. ALM Legal Intelligence's 2011 survey data does not include rates for paralegals and law clerks. Unless and until reliable survey data about actual paralegal/law clerk rates in the D.C. metropolitan area become available, the USAO will compute the hourly rate for Paralegals & Law Clerks using the most recent historical rate from the USAO's former *Laffey* Matrix (*i.e.*, \$150 for 2014-15) updated with the PPI-OL index. The formula is \$150 multiplied by the PPI-OL index for May in the year of the update, divided by 194.3 (the PPI-OL index for May 2014), and then rounding to the nearest whole dollar (up if remainder is 50¢ or more).
8. The USAO anticipates periodically revising the above matrix if more recent reliable survey data becomes available, especially data specific to the D.C. market, and in the interim years updating the most recent survey data with the PPI-OL index, or a comparable index for the District of Columbia if such a locality-specific index becomes available.
9. Use of an updated *Laffey* Matrix was implicitly endorsed by the Court of Appeals in *Save Our Cumberland Mountains v. Hodel*, 857 F.2d 1516, 1525 (D.C. Cir. 1988) (en banc). The Court of Appeals subsequently stated that parties may rely on the updated *Laffey* Matrix prepared by the USAO as evidence of prevailing market rates for litigation counsel in the Washington, D.C. area. See *Covington v. District of Columbia*, 57 F.3d 1101, 1105 & n.14, 1109 (D.C. Cir. 1995), *cert. denied*, 516 U.S. 1115 (1996). Most lower federal courts in the District of Columbia

have relied on the USAO Matrix, rather than the so-called “Salazar Matrix” (also known as the “LSI Matrix” or the “Enhanced Laffey Matrix”), as the “benchmark for reasonable fees” in this jurisdiction. *Miller v. Holzmman*, 575 F. Supp. 2d 2, 18 n.29 (D.D.C. 2008) (quoting *Pleasants v. Ridge*, 424 F. Supp. 2d 67, 71 n.2 (D.D.C. 2006)); see, e.g., *Joaquin v. Friendship Pub. Charter Sch.*, --- F. Supp. 3d ---, 2016 WL 3034151 (D.D.C. 2016); *Prunty v. Vivendi*, --- F. Supp. 3d ---, 2016 WL 3659889 (D.D.C. 2016); *CREW v. U.S. Dep’t of Justice*, --- F. Supp. 3d ---, 2015 WL 6529371 (D.D.C. 2015); *McAllister v. District of Columbia*, 21 F. Supp. 3d 94 (D.D.C. 2014); *Embassy of Fed. Republic of Nigeria v. Ugwuonye*, 297 F.R.D. 4, 15 (D.D.C. 2013); *Berke v. Bureau of Prisons*, 942 F. Supp. 2d 71, 77 (D.D.C. 2013); *Fisher v. Friendship Pub. Charter Sch.*, 880 F. Supp. 2d 149, 154-55 (D.D.C. 2012); *Sykes v. District of Columbia*, 870 F. Supp. 2d 86, 93-96 (D.D.C. 2012); *Heller v. District of Columbia*, 832 F. Supp. 2d 32, 40-49 (D.D.C. 2011); *Hayes v. D.C. Public Schools*, 815 F. Supp. 2d 134, 142-43 (D.D.C. 2011); *Queen Anne’s Conservation Ass’n v. Dep’t of State*, 800 F. Supp. 2d 195, 200-01 (D.D.C. 2011); *Woodland v. Viacom, Inc.*, 255 F.R.D. 278, 279-80 (D.D.C. 2008); *American Lands Alliance v. Norton*, 525 F. Supp. 2d 135, 148-50 (D.D.C. 2007). But see, e.g., *Salazar v. District of Columbia*, 123 F. Supp. 2d 8, 13-15 (D.D.C. 2000). The USAO contends that the Salazar Matrix is fundamentally flawed, does not use the Salazar Matrix to determine whether fee awards under fee-shifting statutes are reasonable, and will not consent to pay hourly rates calculated with the methodology on which that matrix is based.

OPERATIVE FACTS

10. Plaintiff Baltic is in the business of exporting used cars from the United States to Europe. These automobiles are generally purchased by Plaintiff at automobile auctions in the United States and are then shipped from the United States overseas via ocean transport in unimodal containers.

11. Upon arrival at the port of destination, the exported automobiles are unloaded and stored at the port for pick up by the consignee and/or the intended customer. Once a customer pays for the automobile, the original title is then shipped to the purchaser by Federal Express and, once confirmation of payment is received, the vehicle is released.

12. Defendant Hitrinov is the sole owner, shareholder officer and director of Defendant Empire.

13. Empire is an ocean transportation intermediary operating as a no-vessel-operating common carrier (“NVOCC”) and is engaged in the transport of automobiles overseas for other auto and personal shippers.

14. An NVOCC contracts with its customers as principal, agreeing to transport their goods on a voyage that includes an ocean leg.

15. Empire, as an NVOCC, buys space on the carrying ship like any other customer, receiving a bill of lading from the owner or charterer of that ship when the goods are loaded on board.

16. Empire, as an NVOCC, sells bookings on vessels operated by MSC, the ocean carrier. MSC, in turn, provides Empire with a breakdown of all charges, such that Empire may charge the shipper one fixed sum for the entire ocean leg of the transport. Whatever sums are actually charged by MSC to Empire, are included in the fixed sum negotiated by and between Empire and the shipper, in this case, the Plaintiff. These charges are presented by MSC to Empire in an invoice which remains in Defendant Hitrinov’s possession, custody and control. Said invoice has not been provided to the Plaintiff.

17. As an NVOCC, Empire is subject to regulation by the Federal Maritime Commission.

18. Pursuant to rules and regulations promulgated by the Federal Maritime Commission including, without limitation, regulations implementing the Shipping Act of 1984, 46 U.S.C. § 40101, et seq., an NVOCC can only charge a shipper prices disclosed in a published tariff filed with the Federal Maritime Commission.

19. An exception exists with regard to NVOCCs that have entered into a negotiated rate arrangement (“NRA”) with a shipper.

20. An NRA is defined as “a written and binding arrangement between a shipper and an eligible NVOCC to provide specific transportation service for a stated cargo quantity, from origin to destination, on and after the receipt of the cargo by the carrier or its agent (or the originating carrier in the case of through transportation).

21. Defendant Empire never entered into an NRA with Plaintiff and, consequently, the exemption does not apply.

22. At all times relevant hereto, a master service agreement (the “Service Agreement”) existed between Defendant Empire and shipping giant Defendant MSC.

23. MSC is a Vessel Operating Common Carrier (“VOCC”).

24. Pursuant to the Service Agreement, Empire was able to obtain container space aboard MSC vessels outbound from, inter alia, the Port of Elizabeth on favorable terms.

25. From approximately November 2007 up through the present, Plaintiff shipped containers with automobiles acquired by Plaintiff on behalf of foreign customers to ports abroad including, without limitation, the port of Klaipeda, Lithuania. During this time period, Plaintiff shipped thousands of containers through Defendant Empire.

26. In many cases, arrangements for the export, shipment and delivery of the aforesaid vehicles were made with Defendant Empire’s facility in Elizabeth, New Jersey.

27. The automobiles were shipped pursuant to an agreement between Plaintiff and Empire that Plaintiff would be charged one flat fee per container, inclusive of all freight and charges, which fee was determined by the port of origin and port of destination. Said agreement was memorialized in tariffs included in spreadsheets provided by Empire to Plaintiff from time to time. See, Exhibit “A”.

28. Upon information and belief, Empire was required by law to create and deliver a Bill of Lading and invoice to Plaintiff with respect to the Oceangoing and non-Oceangoing transport of Plaintiff's vehicles (the "House Bills of Lading" or "HBOLs").

29. At all times relevant hereto, Empire failed and refused to deliver to Plaintiff's HBOLs and invoices for vehicles shipped overseas.

30. In or around September 2011, Plaintiff notified Defendants that the business relationship between the parties would be wound down and ultimately discontinued. At or about the same time, Plaintiff also demanded a copy of all HBOLs and invoices related to containers shipped pursuant to the parties' agreement.

31. At the time of notification, Plaintiff had shipped approximately 167 containers loaded with automobiles purchased by Plaintiff for export.

32. Of the 167 containers, approximately 20 containers reached their destination and have been fully paid for by Plaintiff. A listing of the aforesaid containers is attached herewith as Exhibit "B".

33. Of the 167 containers, approximately 50 containers have recently arrived at their intended destination and have not yet been fully paid. A listing of the aforesaid containers is attached herewith as Exhibit "C".

34. The remaining containers remain in transit and payment on said containers is due upon their arrival at the destination port. A listing of the aforesaid containers is attached herewith as Exhibit "D".

35. The containers (both arrived and in transit) contain automobiles purchased by Plaintiff and destined for foreign customers at various foreign ports of call including, without

limitation, the port of Klaipeda, Lithuania. Said containers consist of approximately 676 used automobiles valued in excess of \$5,000,000.

36. In the course of Plaintiff's business relationship with Defendant Empire, Defendant Hitrinov would periodically provide Plaintiff with an Excel spreadsheet identifying the containers in transit and verifying that shipping charges had been paid in full. The last such spreadsheet prior to the outbreak of hostilities was provided on September 9, 2011 and is attached herewith as Exhibit "E".

37. According to the spreadsheet, as of September 9, 2011, Plaintiff had fully paid all shipping charges presented by Defendant Empire and had a *credit balance* of approximately \$625.00.

38. After Defendants were notified of Plaintiff's intention to wind down its business relationship with Empire, Defendant Empire unilaterally and retroactively increased its shipping charges.

39. On or about November 14, 2011, Defendant issued a revised spreadsheet. A true and correct copy of the revised spreadsheet is attached as Exhibit "F".

40. According to the revised spreadsheet, Defendant Empire demanded that Plaintiff pay an additional sum of approximately \$175,000 over and above the shipping charges that had been agreed to by and between the parties and that had been dutifully paid throughout the parties' relationship.

41. Furthermore, according to the revised spreadsheet, Defendant Empire demanded that Plaintiff pay an additional sum of approximately \$78,000 *retroactively* for containers that had long since been shipped, paid for and released.

42. These charges, which are referred to as the “Extra Charges” consist of: (a) an \$8.00 per container charge for port security; (b) an \$8.00 per container charge for carrier security; (c) a \$25.00 charge for “European Cargo Data Declaration”; (d) a \$25.00 “Export Chasis Usage”; (e) a \$25.00 “Telex Release Fee”; and (f) a \$100.00 “Doc fee”.

43. These charges were, in fact, included in the fixed price paid by the Plaintiff per container and during the four (4) previous years.

44. At all times relevant hereto, Plaintiff’s cargo remained and continues to remain in the possession, custody and control of Defendants Empire and MSC.

45. Inasmuch as the Extra Charges were already included in the price charged by Defendant Empire, Plaintiff refused to pay.

46. In response, Defendants Empire and MSC unlawfully seized Plaintiff’s containers and refused to release them to their intended recipients despite the fact Plaintiff had lived up to its contractual obligations and despite the fact that as of September 9, 2011, the last statement before the outbreak of hostilities, Plaintiff had a *credit balance*.

47. Of the 167 containers, approximately 22 have arrived and have been paid for by Plaintiff. Although full payment was made, Defendants are now refusing to release the fully paid containers unless Plaintiff immediately pays *new* charges.

48. The remaining 145 containers are either in transit and/or have arrived at their intended destination port. However, Defendants have indicated that these containers will not be released until and unless Plaintiff pays the *new* charges which were imposed, for the first time, on November 14, 2011 and which were applied retroactively to containers shipped and released as far back as June, 2011.

49. Plaintiff made demand upon Defendants for the immediate release of containers, which demand was refused by Defendants. See, Exhibit “G”.

50. In response to the demand, Defendants have taken it upon themselves to contact Plaintiff’s customers, the intended recipients of the aforementioned containers, and have offered them the goods shipped by Plaintiff at a radical discount, with the expectation that any money paid by the customers will then be seized and applied by Defendants. See, Exhibit “H”.

51. In short, Defendants are illegally and unlawfully holding Plaintiff’s cargo hostage in exchange for a payment of an artificial and unlawful debt conjured up by Defendants only after Plaintiff decided to sever its business relationship and applied retroactively as to cargo that has long since been shipped and released.

52. This is not the first time that these defendants have attempted to engage in fraud.

53. On August 1, 2002, the Federal Maritime Commission published an Order of Investigation and Hearing alleging that Empire knowingly and willfully provided false information on its bills of lading that enabled Empire to collect unwarranted compensation from ocean carriers. A true and correct copy of the Order of Investigation is attached as Exhibit “I”.

54. The Order of Investigation resulted in formal notification published in the Federal Register under 67 FR 53353 (2002). See, Exhibit “J”.

55. The investigation resulted in settlement pursuant to which Empire paid a \$40,000 civil penalty to the Federal Maritime Commission. See, Exhibit “K”.

56. In addition, Empire has been sued on numerous occasions by customers alleging fraud in the company’s business practices. See, e.g. *OOO “Garant-S” v. Empire United Co., Inc.*, et al. 11-CV-1324 (E.D.N.Y. 2011) (alleging fraud over “disappearance” of motor vehicles); *Motostrada, LLC v. Hitrinov, et al.* 08-CV-3648 (E.D. Pa. 2008) (alleging fraud and extrajudicial

seizure of automobiles to extract payment of inflated and retroactively imposed storage charges); *Easy Export, Inc. v. Hitrinov, et al.* 09-CV-4714 (E.D.N.Y. 2009) (alleging fraud extrajudicial seizure of automobiles to extract payment for unrelated and disputed debt). True and correct copies of the complaints filed in the aforementioned actions are attached collectively as Exhibit "L"

57. It is believed and therefore averred that Defendants are scam artists who lure customers into a business relationship on purportedly favorable terms. In the course of the relationship, Defendants, as the shipper, exercise dominion and control of the shipment. At an appropriate time, generally when Defendants notice that the relationship is deteriorating or at some other opportune time, Defendants utilize self-help to orchestrate an extra-judicial seizure of goods and demand ransom under the threat that the seized goods will be sold off without regard for value.

58. It is believed and therefore averred that Defendants have taken this fundamental business model and have applied it over and over again in an effort to obtain unjust and unlawful compensation. As set forth below, Plaintiff seeks an award of damages in an amount sufficient to stop these defendants, once and for all, from violating Plaintiff's rights and from visiting fraud upon anyone else.

COUNT I

This Settlement Agreement and Mutual Release (the "Agreement") is entered into among:

- (1) **Baltic Auto Shipping, Inc.** ("Plaintiff" or "Baltic"), a corporation organized and existing under the laws of Illinois with a principal place of business at 5811 W. 66th Street, Bedford Park, IL 60638;
- (2) **Michael Hitrinov, a/k/a Michael Khitrinov** ("Hitrinov") an adult individual and a citizen of the State of New York with a business address at 2303 Coney Island Avenue, Brooklyn, NY 11223;
- (3) **Empire United Lines Co., Inc.** ("Empire"), a closely held corporation organized and existing under the laws of the State of New York with a principal place of business at 2303 Coney Island Avenue, Brooklyn, NY 11223;

Baltic, Hitrinov and Empire are referred to, from time to time, as a Party or as Parties. Baltic may also be referred to, from time to time, as Plaintiff and Hitrinov and Empire may also be referred to, from time to time, as Defendants.

WHEREAS, on or about November 23, 2011, Baltic filed a Verified Complaint against Empire, Michael Hitrinov a/k/a Michael Khitrinov, Mediterranean Shipping Company (USA), Inc. ("MSC") and John Does # 1 through 5 in the United States District Court for the District of New Jersey (the "Action") and gave notice of its intent to seek, on an emergency basis, a Temporary Restraining Order enjoining the seizure of approximately 167 containers of cargo shipped by Baltic through Empire and MSC;

WHEREAS, Defendants deny the allegations made by Baltic in the Action;

WHEREAS, without admitting any of the allegations of fact or law asserted in the Action, the Parties are desirous of amicably settling their differences and disputes without the expense or burden of further litigation.

NOW THEREFORE, for good and valuable consideration, the sufficiency of which is hereby acknowledged, and intending to be legally bound, the Parties agree as follows:

1. Recitals. The foregoing recitals are hereby incorporated by reference and are made part of this Agreement.
2. Release of Arrived Containers. In consideration for a payment of \$8,000 made on Friday, November 25, 2011, receipt of which is hereby acknowledged, Empire shall immediately release the twenty-three (23) containers identified in Exhibit "A" to Baltic and/or its designee. The Parties agree that Baltic shall be responsible for all storage and demurrage charges, if any, with respect to these twenty-three (23) containers.

A.P.

3. Release of Remaining Containers. Any and all other containers shipped by Baltic through Empire and MSC including, without limitation, the one hundred and thirty-eight (138) containers identified in Exhibit "B", shall be released by Empire to Baltic and/or its designee upon arrival and payment by Baltic of the sums specified in Exhibit "B". To the extent that Empire causes a delay in the release of the containers identified in Exhibit "B" and this results the accrual of storage or demurrage charges, Empire will be responsible for payment of such charges, otherwise such charges will be the responsibility of Baltic.

4. No Other Charges. With the exception of the foregoing, Baltic shall not be responsible for any other charges associated with the containers identified in Exhibits "A" and "B".

5. Mutual General Releases. With the exception of any obligations imposed by this Agreement, and in consideration of the undertakings set forth herein, and for other valuable consideration, receipt of which is hereby acknowledged, the Parties hereby release, remise, and discharge each other and their officers, directors, attorneys, employees, agents, heirs, executors, administrators, successors, and assigns from any and all manner of claims, actions, causes of actions, demands, obligations, liens, rights, damages, costs, expenses, and/or compensation of any nature whatsoever that each party now has or may have had on account of or in any way growing out of shipping charges related to Baltic's cargo and any claims of damages related to the delay in releasing said cargo from the beginning of time up to the date of this release.

6. Discontinuance of Action. Within five (5) days from the Date of Execution, Baltic shall cause the Action to be withdrawn and dismissed, with prejudice, as against all parties including, without limitation, MSC.

7. Representations and Warranties. As a material inducement to the entry into and the execution of this agreement, the Parties represent and warrant as follows:

Attorney for Defendants

BALTIC AUTO SHIPPING, INC. and

ANDREJUS PRESNIAKOVAS

EMPIRE UNITED LINES CO., INC. and MICHAEL HITRINOV, Plaintiffs, - vs. - BALTIC AUTO SHIPPING, INC. and ANDREJUS PRESNIAKOVAS, Defendants.	CIVIL ACTION NO. 15-cv-355 (CCC) (MF) CERTIFICATION OF MARCUS A. NUSSBAUM
--	---

Marcus A. Nussbaum, pursuant to 28 U.S.C. § 1746, making the following Certification under penalty of perjury, in lieu of an oath or affidavit says:

1. I am the attorney for the defendants in the case pending before this Court (“Empire v. Baltic”). I also represented defendant, Baltic as a Complainant in a matter previously pending before the Federal Maritime Commission (“FMC”), and as such I am fully familiar with the facts and circumstances of this matter.

2. I submit this Certification pursuant to the Order of the Hon. Judge Dennis M. Cavanaugh, dated October 22, 2015, which directed that I provide a sworn Certification regarding the circumstances by which I failed to produce an “ink original” of a certain document known and referred to herein as the “audit” for inspection on July 2, 2015; and that I further provide the current

location, if known, of same. Said audit is a three (3) page document entitled, "Internal Memorandum", signed by Laura Supranos, and dated July 14, 2014.

3. On March 23, 2015 the plaintiffs herein ("Respondents" in the FMC action) filed a motion therein for summary judgment seeking to dismiss the Complainants' claims. On or about May 8, 2015, the undersigned filed opposition papers to said motion including, *inter alia*, the subject audit.

4. On July 2, 2015, pursuant to an Order of the Hon. Judge Falk, I produced the audit for inspection by the respondents, which based upon the best of my knowledge, recollection, and belief was the "ink original" audit. It was the opinion of the forensics expert hired by the plaintiffs, however, that the document that I produced was not an "ink original".

5. As of the time of this writing, I have no personal knowledge as to the precise location and/or whereabouts of the "ink original" audit signed by the author and preparer of same, Laura Supranos on July 14, 2014.

6. To the extent that the FMC Court Rules mandate the filing of an original and five (5) copies of all motion papers, and due to the extremely high quality of the copies of what was originally a black ink signature by Ms. Supranos, it is respectfully submitted that it is more than likely that the said "ink original" audit may have inadvertently either have been filed with the FMC Court, or erroneously served upon respondents' counsel therein.

7. I can further attest as to having personally performed a search of all case files in my possession, but have not been able to locate the "ink original" audit. I do, however, have a clear recollection of having seen the "ink original" audit, and specifically recall seeing Ms. Supranos' signature in black ink, dated July 14, 2014.

The foregoing is true and correct to the best of my knowledge under penalty of perjury under 28 U.S.C. § 1746.

Executed on October 22, 2015

Mr. Werner,

Ms. Grant asked me to review your inquiry. It does appear that Exhibit X and the signature affixed is a photocopy based on the poor clarity of the print.

I hope this is helpful.

Dear Ms. Grant,

Can you kindly confirm in writing what you told me over the telephone this morning, *i.e.* that you checked the filings for Docket 14-16 and particularly Exhibit X to the Affidavit of Mr. Presniakovas (which was signed April 30, 2015 and filed on May 8, 2015) and found only a photocopy of the Internal Memorandum signed by Laura Supronas.

I truly appreciate your help.

Re: *Empire United Lines Co., Inc. et al. v. Baltic Auto Shipping, Inc. et al.*
U.S.D.C. – D.N.J., 15 Civ. 355 (CCC) (MF)
Our File No.: 2697002

Dear Judge Cavanaugh,

I represent the plaintiffs in this case and write further to Your Honor's request during the conference conducted on October 8, 2015, to provide a copy of the transcript and synced-video of the deposition of Andrejus Presniakovas which was conducted on August 21, 2015 pursuant to a Rule 30(b)(6) notice of deposition served by the plaintiffs. For ease of reference, a copy of the exhibits which were marked during that deposition is also enclosed.

As I explained during the October 8, 2015 conference, I believe that the conduct of counsel for the defendants during the August 21, 2015 deposition was inappropriate, in violation of the Rule 30 of the Federal Rules of Civil Procedure as well as Magistrate Judge Falk's specific rules regarding the conduct of counsel during depositions as set forth in the March 18, 2015 scheduling order issued in this case, and that therefore I intend to seek sanctions against defendants' counsel pursuant to Rule 30 and Rule 37.

For the sake of completeness, improper speaking objections occurred on pages 22, 25, 27, 45, 52, 61, 62, 67, 83, 111, 117, 120, 122, 130, 131, 132, 135, 143, 157, 168, 169, 173, 179, 180, 188, 194, 203, 205, 206, 207, 208, 214-221, 222, 224, 228, 243, 247, 249, 251, 253, 255, 256, 259, 260, 261, 264, 268, 282, 283, 289, 291, 293, and 297, and defendants' counsel instructed the witness not to answer questions on pages 63, 101, 103, 107, 115, 126, 133, 137, 138, 161, 163, 164, 176, 184, 185, 191, 192, 197, 201, 209, 221, 226, 231, 236, 237, 239, 245, 257, 262, 273, 281, 282, 284, 286, 296, 297, and 300.

However, in order to save some time, I respectfully direct Your Honor's attention to the following portions of the transcript which I submit represent particularly egregious conduct on the part of defendants' counsel:

NEW YORK

NEW JERSEY

CONNECTICUT

Pages 133 to 138	Defendants' counsel improperly instructing the witness not to answer questions and making speaking objections designed to coach the witness about how to answer questions relating to the timing and nature of the counterclaims asserted by defendants in this case.
Pages 157 to 161	Defendants' counsel improperly interjecting and interrupting in order to derail questioning establishing that the witness signed the verification pages to the complaints in Chicago which were then notarized by Mr. Nussbaum in Brooklyn.
Pages 171 to 174	Defendants' counsel making extended speaking objections regarding questions as to the extent of the lost profits damages alleged by the defendants in connection with their counterclaims.
Pages 176 to 178	Defendants' counsel improperly instructing the witness not to answer questions about the witness's understanding of the terms of the 2011 settlement agreement and mutual release.
Pages 179 to 180	Defendants' counsel making speaking objections designed to coach the witness about how to answer questions relating to the allegations in the FMC complaint.
Pages 202 to 206	Defendants' counsel making speaking objections designed to coach the witness about how to answer questions relating to the extent of attorneys' fees being claimed by defendants in connection with their counterclaims.
Pages 208 to 213	Defendants' counsel making speaking objections designed to obstruct questioning regarding the witness's sworn affidavits.
Pages 214 to 221	Defendants' counsel making an extended speaking objection designed to coach the witness about how to answer questions about conflicts between the witness's earlier testimony and the sworn affidavits, and then improperly instructing the witness not to answer the question.
Pages 251 to 265	Defendants' counsel making speaking objections, instructing witness not to answer questions, and ultimately taking over examination in order to "correct" witness's prior testimony about when a document relating to damages being claimed was prepared.
Pages 268 to 269	Defendants' counsel interjecting to coach the witness to remind him that he is not the author of the audit.
Page 282	Defendants' counsel interjecting to coach the witness how to answer a question about why the audit was written in English.
Pages 288 to 299	Defendants' counsel attempting to coach the witness and manipulating the exhibits to try to confuse the record regarding the witness's testimony that Exhibit F, G, and H of the audit were prepared by Baltic Auto Shipping, Inc.

Because the example found on pages 214 to 221 is so egregious, it is worth quoting that portion of the transcript in full here:

Q: Mr. Presniakovas, earlier this morning you testified, unequivocally, that Laura Supronas has never been an employee of Baltic; am I correct?

A: Correct.

Q: And you maintain that position even now, correct?

A: Correct.

Q: And yet in this affidavit that you signed, you stated that she was an employee of Baltic?

MR. KATZ: Just a moment, please.

(Witness reviewing.)

MR. KATZ: That's not correct, counsel. The affidavit states that "Respondent" --

MR. WERNER: Don't, don't coach the witness, counsel, please do not.

MR. KATZ: I beg your pardon?

MR. WERNER: He can answer the question without your help.

MR. KATZ: All right. Did I just hear you say "don't coach the witness"?

MR. WERNER: That's correct.

MR. KATZ: Okay. First of all, I object to that --

MR. WERNER: That's fine, you put your objection --

MR. KATZ: Excuse me, counsel.

MR. WERNER: If you continue --

MR. KATZ: Excuse me, counsel, I will continue till I finish this representation, once you make a reckless, wild accusation of me coaching a witness. I object vehemently to that representation, and I caution you against making such other spurious allegations on the record. Now having said that, is there a pending question? Oh, I'm sorry. Yes. I'm objecting to the form of the question because counsel is misstating what's in the affidavit.

MR. WERNER: That's fine. You've put your objection on the record.

MR. KATZ: The affidavit says --

MR. WERNER: You put your objection on the record.

MR. KATZ: The affidavit says, counsel --

MR. WERNER: If you continue your coaching --

MR. KATZ: You can talk over me from now till next Tuesday, I'm putting it on the record.

MR. WERNER: If you continue with that sentence --

MR. KATZ: I'm putting it on the record, counsel.

MR. WERNER: I want to ask the witness to leave the room when you do that.

MR. KATZ: You can keep interrupting me, counsel, but when you're done it's going on the record.

MR. WERNER: I want the witness to be outside the room when you put that on the record.

MR. KATZ: No, you cannot go off the record without both parties consenting. Those are the rules of this proceeding.

MR. WERNER: No. No. No. We're on the record.

MR. KATZ: You, sir, have continually taken portions of documents out of context and, in the process, have distorted their meaning and distorted the record, and you've just done so again. And I am making a record of this.

MR. WERNER: You can actually make your record, but not in front of this witness.

MR. KATZ: Sir, sir, I am going to make this representation, sir. If this goes on for another 30 minutes, I'm going to make this representation.

MR. WERNER: You have the right, but not in front of this witness.

MR. KATZ: I am going to make this representation, counsel, you might as well stop now. What it reads is --

MR. WERNER: I'm instructing the witness to leave the room.

MR. KATZ: What it reads -- excuse me, excuse me, counsel, you will not prevent me doing this.

MR. WERNER: I am not seeking to.

MR. KATZ: Counsel, you can talk over me all you want, I am still going to get this representation on the record.

MR. WERNER: Mr. Katz, you can put anything you want on the record --

MR. KATZ: Mr. Werner, Mr. Werner, what the document says is during that time period the "respondents would e-mail rates for shipping to an employee of Baltic Chicago identified as Laura Baltic." That's not the witness saying that she was an employee. It's saying e-mails were sent to her as an employee. So if you're going to cite to documents, kindly do so accurately. Thank you.

MR. WERNER: Please mark that entire exchange for a ruling --

MR. KATZ: Please do.

MR. WERNER: -- by the Court.

MR. KATZ: Let the record reflect this is just one of several instances where counsel has taken half-sentences, material out of context, and distorted the plain meaning of documents inclusive of this where the affidavit states that e-mails were sent to an employee of Baltic. Nowhere does the witness in his affidavit say that this woman was an employee of Baltic.

MR. WERNER: Mr. --

MR. KATZ: That is your distortion of the document, counsel.

MR. WERNER: Mr. Katz --

MR. KATZ: Mr. Werner.

MR. WERNER: -- why was it necessary for you to provide that statement on the record in the presence of the witness when I expressly asked you to allow me to instruct the witness to be outside the room while you established your record with respect to that objection?

MR. KATZ: You made no such instruction, counsel, unless you were talking over me while the same time I was trying to make a representation. And any time you try to do that, you have to assume that not everything is going to get heard or put on the record. In either case, the fact remains, you, sir, distorted the plain meaning of this document. It's not the first time that you've done it in this proceeding, and I will not allow you to. Sir, don't say anything.

MR. WERNER: Mr. Katz, I object most strenuously to your attempts to coach the witness with respect to this --

MR. KATZ: And I object most strenuously to your outrageous, wild, spurious, specious and untrue accusations that I have in any way, shape, form or manner attempted to coach this witness. What I did do is correct your distortion of what's contained in a legal document that you attempt to be questioning the witness on. So how much longer you want to continue this, counsel, or do you want to go to your next question?

MR. WERNER: I would now like an answer from Mr. Presniakovas to the pending question.

MR. KATZ: What is the pending question again?

VIDEOGRAPHER: I just want to let you know, I have five minutes left on the DVD.

MR. KATZ: Very good. How long do those DVDs last for? Thirty minutes?

VIDEOGRAPHER: An hour and a half.

MR. KATZ: Each DVD is an hour and a half? Thank you.

(Question read.)

MR. KATZ: Okay. And the reason the question is being objected to is that it is not at all what the affidavit says. So, because counsel has distorted the clear, plain meaning and language of the affidavit, the witness will not answer that question. As I have pointed out, what the affidavit says is e-mails were sent to somebody as an employee of Baltic.

The example found on pages 251 to 265 of the transcript is also particularly egregious and demonstrates the extent to which defendants' counsel went to try to modify or neutralize the witness's unfavorable testimony. The witness had testified that he had 100% definitely prepared a damages document after the 2011 case had settled (the 2011 lawsuit was commenced on

November 23, 2011), and then when confronted with the document's file properties showing its metadata indicating it was created on November 22, 2011, was at a loss to explain how the document could have been created in that timeframe. Defendants' counsel through an incredible series of interjections, speaking objections and the like, then coached the witness into recanting his earlier testimony and instead declaring that he did not know when he prepared the damages document and would have to check his records to determine the date.

Defendants' counsel's conduct as reflected on pages 288 to 299 is also remarkable, in that he actually attempted to confuse the witness and the record by manipulating the exhibit which the witness was reviewing. The witness had been asked to look at the audit, a copy of which was marked as Exhibit 11, and identify which portions of that audit were prepared by Mr. Nussbaum versus Baltic Auto Shipping, Inc. itself. The witnesses segregated out Exhibits F, G, and H (which were all parts of Exhibit 11) as being Baltic Auto Shipping, Inc. documents, and because this testimony was damaging to defendants' counsel he sought to confuse the record and the witness by purposefully re-ordering Exhibit 11 to try to get the witness to testify falsely that Exhibits F, G, and H were not Baltic Auto Shipping, Inc. documents. When this tactic failed, he resorted to instructing the witness not to answer any further questions about which documents in the audit were prepared by Mr. Nussbaum versus Baltic Auto Shipping, Inc., and shortly afterwards unilaterally terminated the deposition.

Extracts from the synced-video correlating to these portions of the transcript are also provided on a separate disc for Your Honor's ease of reference.

Respectfully yours,
