ORDER OF: Richard AMBROW, *Administrative Law Judge.*

SECOND ORDER SETTING STATUS CONFERENCE

On January 20, 2026, Orient Overseas Container Line Limited and OOCL (Europe) Limited (“Respondent” or “OOCL”) filed Respondent’s Motion to Compel (“OOCL’s MTC”), which has been fully briefed.

On January 23, 2026, Samsung Electronics America, Inc. (“Complainant” or “SEA”), filed SEA’s Motion to Compel Discovery (“SEA’s MTC”). I allowed OOCL additional time to respond to SEA’s MTC, and encouraged the parties to resolve some of the issues raised in the motions to compel. (*See* Order Granting In Part and Denying In Party Respondent’s Emergency Motion to Strike and for Additional Relief). SEA’s MTC is now fully briefed.

Some of the issues have been resolved. (*See* Letter of February 4, 2026, attached to Joint Status Report 6 (February 2026)). It appears that additional issues can be resolved by the parties.

Accordingly, the parties are **HEREBY ORDERED** to appear for a status conference on Friday, February 20, 2026, at 10:00 AM Eastern Standard Time. The conference will be conducted via Teams; counsel will receive a Teams link. The parties should be prepared to discuss OOCL’s MTC, including SEA’s “tagging” and litigation positions. The parties should

also be prepared to discuss SEA's MTC, including the SEA's Interrogatories and Requests for Productions, as well as OOCL's document collection and production efforts.
