Dear Mr. Creel:

I am writing in reference to the current request by Cosco North America to be able to match their competitors **24-hour** rate **filing** as opposed to the **30-day** restriction.

There have been several **occasions** where Cosco North America could not be considered for shipments **based on this** time delay. In order to provide the service to meet our customer's **needs** it is of great importance that our **carriers** be able to respond **quickly**.

I feel Cosco North America is a responsible carrier who should **be able** to respond to the **marketplace** in the same time period that their competition does.

Sincerely,

Doug Beauchamp
Traffic/Documentation Manager
