Dear Mr. Creel,

I am **writing** in reference **to** the current request by Cosco North America to be able to match **their** competitors **24-hour** rate filing **as** opposed to the 30 day **restriction**.

There have been several occasions where Cosco North America could not be considered for shipments based on **this** time delay, In order to provide the service to meet **our** **customer's** needs. It is **of** great importance that our carrier is able to respond quickly,

I feel **Cosco** North America is a responsible **carrier** who should **be** able to respond to the **Marketplace in the same time period that their competition does.**

Sincerely,

Dennis Brady
