Dear Mr. Chairman,

We have been working with COSCO for more than 5 years now. During this time, they have been very supportive to our business. And we find them to be a very responsible carrier,

In today's rapidly changing **freight** market, we feel COSCO should be able to equally respond to the rapid changes in the market as is permitted by their competition.

We support **COSCO's** efforts to have the 30 day tariff filing restriction lifted so that they may compete more fairly with other ocean shipping lines.

Sincerely,

Li Zhang
