Dear Mr. **Creel**,

I am writing in reference to the current **request** by COSCO North America **to** be able to match their **competitors 24-hour** rate filing as opposed to the 30day restriction

There have been several occasions when COSCO North America **could** not be considered for shipments based on this time delay. In order to provide the service to meet our customer's needs it is of great importance **that** our **carrier** is able to respond quickly.

I **feel** that COSCO **North** America is **a** responsible carrier who should be able to respond to the **marketplace** in the same time **period** that their **competition** does.

Thank you **for** your consideration on this very important matter

Sincerely,

Dick **Saruga**
