Mr. Harold Creel
Chairman
Federal Maritime Commission
Washington, DC

Dear Mr. Chairman:

We support COSCO's efforts to have the 30-day tariff filing restriction lifted so that they may compete more fairly with other ocean carriers. We have been using COSCO for some time now, and find them an extremely responsible carrier.

In today's rapidly changing freight market, we feel that COSCO should be allowed an opportunity equal to its competition in being able to respond to the rapid changes in the marketplace.

Sincerely,

Masahiro Ikuno
Marketing Manager
Zen Trading Co., Ltd.
