Re: Cosco

Dear Mr. Chairman:

We are a large-volume importer with distribution centers across the entire United States.

We support **Cosco's** efforts to have the **30-day Tariff** Filing restriction lifted so that they may compete more fairly with other ocean carriers. We have been using Cosco for some time now and **find** them to be an extremely responsible carrier.

In today's rapidly changing freight market, we feel Cosco should be able to equally respond to the rapid changes in the marketplace as *is* permitted to their competitors.

Thank you for your consideration.

Sincerely,
Coaster Company of America

Cyrus Chu
Vice President of Import
