Federal Maritime Commission
Mr. Harold Creel, Chairman
800 N. Capital St. NW Ste. 940
Washington, DC

Dear Sir:

We the undersigned support the following actions on behalf of the China Ocean Shipping Company (COSCO) North America on the following issues:

We want to use Cosco, but due to their 30 day filing restriction we frequently have to use other carriers because of the intense competition in the market, we need carriers to be able to react quickly, and with COSCO's 30 day restriction, we frequently cannot consider them.

We support their application to the Federal Maritime Commission to be able to match their competition for filings within 24 hours.

We feel COSCO is a responsible carrier who should be able to respond to the marketplace in the same time period that their competition is able to do so.

Respectfully yours,
