BY THE COMMISSION: Laura DiBELLA, *Chairman*, Rebecca F. DYE, Daniel B. MAFFEI, Max M. VEKICH, *Commissioners*.

Order Extending Deadlines to File Exceptions and Replies and Increasing Page Limits for Exceptions

On April 28, 2026, Orient Overseas Container Line Limited and OOCL (Europe) Limited (collectively “OOCL”) requested the Federal Maritime Commission (“Commission”) extend the deadline for filing exceptions to the Chief Administrative Law Judge’s (“ALJ”) Initial Decision issued April 24, 2026, and increase the page limits for exceptions. Bed Bath & Beyond Inc.¹ (“BBB” or

¹ Currently known as 20230930-DK-Butterfly-1.

“BBBY”) opposed the request for increased page limits, did not oppose the request for extended time to file exceptions, and requested additional time to file replies to exceptions.

Considering the parties’ requests and the volume of this Docket, the Commission hereby:

ORDERS the deadline to file exceptions be extended to within 60 days after the date of service of the Initial Decision; that replies to exceptions be due within 30 days after the date of the service thereof; and that the page limit for exceptions briefs be 60 pages in length, exclusive of pages containing table of contents, table of authorities, and certificate of service. No change is made to the length of reply briefs.

By the Commission.
