v.

ORIENT OVERSEAS CONTAINER LINE LIMITED AND
OOCL (EUROPE) LIMITED, *Respondents*.

DOCKET NO. 23-02

Served: June 23, 2023

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING JOINT MOTION FOR EXTENSION OF TIME

On June 22, 2023, the parties filed a joint motion seeking an extension of time to respond to Complainant's motion for partial decision on the pleadings due to the upcoming holiday and previously scheduled travel. The parties request an additional fourteen days to file Respondents' response and an additional seven days for Complainant's reply.

The brief extension requested by the parties is reasonable. The motion states that they do not request adjustment of other deadlines. The extension should not impact the schedule as the parties are in the early stages of discovery and that discovery should continue while Complainant's motion is being briefed and decided. The parties are reminded that delays in beginning discovery may impact the time allotted for briefing later in the proceeding.

For the reasons outlined above, it is hereby **ORDERED** that the joint motion be **GRANTED**. Respondents shall file their response to the motion by July 19, 2023, and Complainant shall file its reply by August 2, 2023.
