

**BEFORE THE
FEDERAL MARITIME COMMISSION
OFFICE OF ADMINISTRATIVE LAW JUDGES**

CE GLOBAL NETWORK LLP,

Claimant,

v.

OCEAN LINE LOGISTICS, INC.,

Respondent.

Informal Docket No. 2062(I)

Proceeding under Subpart S,
46 C.F.R. §§ 502.301–502.305

**CLAIMANT’S LIMITED SUPPLEMENTAL STATEMENT
AND NOTICE OF FINAL GATE-OUT AT KHOR FAKKAN**

HMM Sea Waybill DALA20444700 · Containers KOCU4883698 and SEGU5702890

I. PURPOSE AND LIMITED SCOPE

1. Claimant CE Global Network LLP files this limited Supplemental Statement to report the carrier’s final gate-out record and to narrow the reparations requested. This filing **supplements, and does not amend**, the Verified Small Claim Complaint.
2. This filing supplements the evidentiary record and does not amend the Complaint. It adds no respondent, no bill of lading, no cause of action, and no additional monetary claim. Claimant narrows the reparations sought to the USD 4,875.00 already pleaded in the Verified Small Claim Complaint. Accordingly, this filing does not restart Respondent’s expired response period.
3. Claimant seeks reparations of USD 4,875.00, together with interest under 46 C.F.R. § 502.253, and separately requests reimbursement of the USD 176.00 FMC filing fee previously requested in the Verified Small Claim Complaint. Claimant seeks no other monetary relief in this Supplemental Statement.

II. MATERIAL FACTS

4. On 25 February 2026, Respondent issued invoice INV-12431 in the amount of USD 4,875.00 for bill of lading DALA20444700. The invoice identifies Jebel Ali, Dubai, U.A.E. as the port of discharge, with ETA 16 March 2026. *Supplemental Exhibit J*.

5. On the same date, Respondent’s documentation desk stated: “*COD complete. JEBEL ALI eta 3/16.*” *Supplemental Exhibit K*. Claimant paid the USD 4,875.00 on 10 April 2026, as shown in original Exhibit B to the Verified Small Claim Complaint.

6. The containers did not go to Jebel Ali. They were ultimately moved to Khor Fakkan under a later, separately invoiced arrangement. Respondent issued invoice INV-12746 in the amount of USD 7,281.00, which Claimant paid on 10 June 2026. *Supplemental Exhibit L*.

7. The carrier’s tracking record for containers KOCU4883698 and SEGU5702890 shows that the containers were discharged at Singapore on 2 March 2026, remained there without further movement until 18 July 2026, were then loaded on the vessel HMM MANILA 0025W, arrived at Khor Fakkan on 27 July 2026 and were gated out from Khor Fakkan Container Terminal on 31 July 2026. *Supplemental Exhibit M*. The containers were never forwarded to Jebel Ali and the cargo was not delivered at Jebel Ali.

III. THE NARROW CLAIM

8. Claimant paid USD 4,875.00 for a Jebel Ali destination-change arrangement that was never completed and was neither refunded nor credited. Respondent later invoiced and collected a separate USD 7,281.00 for the Khor Fakkan arrangement that was ultimately performed.

9. The later USD 7,281.00 payment is not claimed in this proceeding. It establishes only that the completed Khor Fakkan movement was separately invoiced and separately paid. Respondent’s ultimate profit or loss on that separately invoiced movement does not determine Claimant’s USD 4,875.00 injury, unless Respondent proves that specific non-refundable costs were incurred for the unsuccessful Jebel Ali arrangement or that the USD 4,875.00 was credited against INV-12746. Nothing in the present record shows either.

Arrangement	Invoice and payment	Amount	Result
Change of destination to Jebel Ali	INV-12431; paid 10 April 2026	USD 4,875.00	Not completed. No refund or credit shown.
Movement to Khor Fakkan	INV-12746; paid 10 June 2026	USD 7,281.00	Performed. Gated out 31 July 2026.

IV. BASIS FOR RELIEF

10. The Complaint’s existing allegations and evidence under 46 U.S.C. § 41102(c) remain before the Small Claims Officer. This Supplemental Statement does not withdraw or replace them and adds no new legal theory. It addresses only final gate-out, injury, causation and quantum.

11. Claimant refers to original Exhibits B and C, already filed with the Verified Small Claim Complaint, without reattaching them.

V. RELIEF REQUESTED

12. Claimant respectfully requests that the Small Claims Officer award the following:

Reparations	USD 4,875.00
Interest	Pursuant to 46 C.F.R. § 502.253, from 10 April 2026
FMC filing fee, requested as costs	USD 176.00

13. The USD 176.00 filing fee is requested as a cost of filing and is **not** included within, or additional to, the USD 4,875.00 principal reparations. The sole principal reparations amount sought is USD 4,875.00.

14. Claimant does not seek attorney fees at this stage and preserves any right available under 46 C.F.R. § 502.254 after the decision becomes final. Claimant does not seek recovery of the USD 7,281.00 in this proceeding and expressly reserves all rights in respect of that amount. Claimant seeks no other fees, expenses or monetary relief in this proceeding.

15. Claimant respectfully requests that the Small Claims Officer accept this limited supplemental evidence and proceed to disposition on the existing record. If the Officer determines that any response is appropriate, Claimant requests that it be limited to the supplemental evidence and governed by a deadline set by the Officer, without reopening Respondent's expired period to respond to the original Complaint.
