v.

FEIGE "PEGGY" OBERLANDER, U SHIPPERS GROUP INC.,
U SHIPPERS GROUP MANAGEMENT CO., INC., *Respondents.*

DOCKET NO. 21-02

Served: May 13, 2021

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge.*

ORDER GRANTING EXTENSION OF TIME TO RESPOND TO MOTION TO DISMISS

On May 12, 2021, Complainant filed a request for a two-week extension of time to file its response to Respondents' motion to dismiss. Complainant's response is due by May 21, 2021, fifteen days after Respondents' motion to dismiss, served May 6, 2021. Complainant states that the requested time is needed for its counsel to prepare a responsive pleading and affidavits needed to respond to the statements of material fact and exhibits in Respondents' motion to dismiss. Complainant further states that Respondents do not object to the requested time.

Extensions of time were previously granted to Respondents. Complainant's request is unopposed by Respondent and is for a short extension of time to allow Complainant adequate time to prepare its response to Respondents' motion to dismiss.

Good cause having been stated, it is hereby ordered that Complainant's motion for a two-week extension of time to file a responsive pleading be **GRANTED**. Complainant's opposition to the motion to dismiss shall be filed by June 4, 2021. Complainant is reminded that courtesy copies of all filings should be sent to judges@fmc.gov.
