Docket No. 21-02

**MOTION FOR PROTECTIVE ORDER PENDING RESPONDENTS' REQUEST FOR
EXTENSION OF DUE DATE FOR RESPONSES AND OBJECTIONS TO INITIAL
DISCOVERY REQUESTS**

Complainant YSN Imports Inc. d/b/a Flame King, by and through their undersigned counsel, file this Motion for a Protective Order for Complainant to serve its responses or objections to initial discovery requests pending the Respondent's request for a ten (10) day extension of the October 1, 2021 due date in the Initial Scheduling Order, and in support state as follows:

1. Respondents requested consent of Complainant for an extension of the due date for responses and objections to initial discovery by email in mid-September. Complainant consented to a ten (10) day extension of time for the parties to provide responses and objections. Counsel for Respondent indicated he would request the extension from the Administrative Law Judge, but as of the time and date of this motion no application has been made for the ten (10) day extension of the due date for responses and objections to discovery.

2. The reason for the Respondents' request for a ten (10) day extension of the due date was based on several intervening religious holidays in September which limited the number of days available to search for and produce responsive documents from Respondents.

3. Counsel for the parties exchanged emails concerning the request for extension, and Complainant indicated it would consent to a ten (10) day extension from October 1 to October 12, 2021.

4. Based on the foregoing, Complainants respectfully request that this Motion for Protective Order pending an extension of the discovery schedule be granted to extend the time for Complainants to serve responses and objections to initial discovery requests.

Dated: October 1, 2021

Respectfully submitted,
