Office of Administrative Law Judges

TZ SSE BUYER, LLC, *Complainant*

v.

COSCO SHIPPING LINES CO., LTD., *Respondent*.

DOCKET NO. 24-09

Served: July 2, 2025

ORDER OF: Richard AMBROW, *Administrative Law Judge*.

ORDER SETTING STATUS CONFERENCE

This matter was reassigned to the Undersigned on May 27, 2025. Prior to reassignment, Administrative Law Judge Alex M. Chintella issued an Order Granting In Part Complainant's Motion to Compel on May 15, 2025 (the "May 15 Order"). Among other things, Judge Chintella ordered production in response to RPDs 3 and 11.

On June 18, 2025, Complainant filed its Opening Brief, and supporting Proposed Findings of Fact and Appendix, along with a motion for confidential treatment. On June 23, 2025, Complainant filed a motion to withdraw its previously filed Opening Brief and supporting materials so that it could file a revised Opening Brief with confidential marking requested by Respondent. The two versions of the Opening Brief otherwise appear to be identical.

In its Opening Brief, Complainant alleges that Respondent failed to comply the May 15 Order regarding RPDs 3 and 11. (Opening Brief, at 6-12). Although I anticipate the Respondent will respond to the allegation that it failed to meet its discovery obligations in its Response Brief, it is best to address the remaining discovery issues now for the sake of efficiency.

It is also unclear if many of the proposed redactions are appropriate.

The parties are **HEREBY ORDERED** to appear for a status conference on **Tuesday, July 8, 2025 at 2:00 PM EDT**. The conference will be conducted via Teams; counsel will receive a Teams link. Counsel must be prepared to discuss any remaining discovery issues, including the status of productions required by the May 15 Order, the appropriateness of the proposed redactions, and the remaining briefing schedule.
