MARIE CAREW D/B/A/ HOLIDAY SHIPPING, *Complainant*

v.

MAERSK LINE A/S & JOHN DOES, *Respondents*.

DOCKET NO. 20-17

Served: February 24, 2021

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING EXTENSION TO FILE JOINT STATUS REPORT

On February 23, 2021, Complainant submitted a letter requesting a one-week extension of time to file the first joint status report, indicating that the request was made jointly with Respondents. Complainant states that the parties have engaged in continued consultations and need additional time to prepare the report thoroughly.

Any request for action by the presiding officer must be made by motion, not by letter or email request, as required by the initial order. Complainant is again reminded to follow the requirements of the initial order issued October 22, 2020. Filings may be rejected if they are not filed properly and timely.

The request for a short extension will be granted, although future requests for extensions should include greater detail about the cause of any delay. In addition, the parties should carefully review the January 25, 2021, order requiring joint status report to ensure a thoughtful and complete response. The parties are again encouraged to discuss settlement of the claim.

Accordingly, it is hereby **ORDERED** that the request for an extension of time to file the first joint status report be **GRANTED**. The first joint status report shall be filed by March 3, 2021.
