Docket No. 20-19

ASTRA SUPPLY CHAIN, LLC, and TDS MANAGEMENT, LLC
v.
ORIENT STAR TRANSPORT INT'L LTD.

COMPLAINT

1. Claimant Astra Supply Chain, LLC (“Astra”) is a Florida limited liability company with its principal place of business at 11971 NW 37th Street, Coral Springs, FL 33065.
2. Claimant TDS Management, LLC (“TDS”) is a Florida limited liability company with its principal place of business at 1140 Holland Drive, Suite 6, Boca Raton, Florida 33487.
3. Respondent Orient Star Transport Int’l Ltd. (“Orient”) is a company organized under the laws of the Republic of China with its principal place of business at 5/F., No.61, Sec. 3, Nanjing East Road, Zhongshan Dist., Taipei City 104, Taiwan. Orient is a Federal Maritime Commission (“FMC”) registered foreign NVOCC. Its bond number is 8941472.
4. Qingdao Perimeter Global Logistics Co. Ltd. (“Qingdao PGL”) is a company organized under the laws of the People’s Republic of China with its principal place of business at Rm 418-419, Tower A, Heda Center No. 177, Tailiu Road, Shibei District, Qingdao, Shandong, China. Qingdao PGL does business as an Ocean Transportation Intermediary. However, it is not licensed by or registered with the FMC to do so.
5. Premier Global Logistics LLC (“SC PGL”) is a South Carolina limited liability company with its principal place of business at 5300 Farrow Rd, Columbia, SC 29203. SC PGL does business as an Ocean Transportation Intermediary. However, it is not licensed by the FMC to do so.
6. On information and belief, SC PGL and Qingdao PGL are owned by the same person, Fei Li who is also known by the name Peter Li.

7. Beginning in March 2020, Astra engaged Qingdao PGL to arrange shipping of apparel goods from China to the United States. Qingdao PGL would either book ocean freight with Orient or another FMC-registered NVOCC, B&Q Freight China Limited (“B&Q”). When Qingdao PGL booked with B&Q, B&Q would book with Orient which then booked with the vessel operators. When Qingdao PGL booked directly with Orient, Orient booked with the vessel operators. SC PGL issued its own unauthorized bills of lading showing the factory as the shipper and Astra’s customer as the consignee.
8. When Qingdao PGL booked with Orient, Qingdao PGL appeared as the shipper and Astra appeared as the consignee on Orient house bill of lading. When the goods arrived in the U.S., Qingdao PGL would send telex release instructions via email to Orient’s agent – Eaglewings Freight Services Inc. (“Eaglewings”). Eaglewings then released the goods.
9. Astra paid Qingdao PGL on bi-weekly basis via wire transfers to SC PGL’s Bank of America account in South Carolina.
10. From September 15, 2020 to October 15, 2020, Astra was instructed by someone with the identical name as one of Qingdao PGL’s employees to send several payments to PNC, Chase and BB&T accounts in South Carolina having SC PGL’s name and address. These payments, in the total amount of \$507,304.59, were allegedly never received by Qingdao PGL.
11. Currently, twenty-three containers have arrived or are about to arrive in the U.S. Among these twenty-three shipments, the following are carried under Orient’s house bills of lading: NBMIA2090610, NBMIA2090611, SHMIA20A0667, SHMIA20A0668, SHMIA2091026, SHMIA2091515, SHMIA2091521, SHMIA2091522. On these Orient house bills of lading, Qingdao PGL appears as the shipper and Astra appears as the consignee. For these Orient house bills of lading, SC PGL issued the following house bills of lading: PGLSEF2009025, PGLSEF2009023, PGLSEF2010009, PGLSEF2010011, PGLSEF2009019, PGLSEF2009029, PGLSEF2009030, PGLSEF2009031, and respectively. TDS has paid for and owns the goods in these shipments. On these SC PGL house bills of lading, TDS appears as the consignee. These Orient and SC PGL bills of lading are attached to this Complaint as Exhibit 1.

12. Qingdao PGL is withholding the delivery of these containers unless Astra or TDS pays it \$722,633.74. This would mean paying again the \$507,304.59 previously sent to the PNC/Chase/BB&T accounts in South Carolina, plus the supposed freight for twenty-two of the twenty-three *en route* or landed containers. (Not BQ20090002/PGLSEF2008025, which is included in the \$507,304.59 payments.)

13. Astra has reported the alleged wire fraud to the Federal Bureau of Investigation. Pending conclusion of that investigation, Astra is only willing to pay Qingdao PGL the freight due on the twenty-two containers (because BQ20090002/PGLSEF2008025 was already paid by one of the wire transfers totaling \$507,304.59).

14. Qingdao PGL has no legal basis to demand that Astra pay again the allegedly unreceived sums before release of the twenty three containers at issue because it has no valid lien on any cargo – the SC PGL bills of lading are illegal and *void ab initio* because SC PGL is not licensed by the FMC to issue them.

15. Astra contacted Orient seeking release of the containers and offering to pay the applicable freight. Orient replied that it only takes release instructions from Qingdao PGL.

16. Astra has also demanded copies of all vessel operator's master bills of lading associated with these containers from Orient. Orient has rejected the demand.

17. The cargo in the twenty-three containers is Christmas apparel which will become worthless very soon.

18. Orient has knowingly and willfully violated Section 10(b)(11) of the Shipping Act by accepting cargo from or transporting cargo for Qingdao PGL which is an unlicensed and unregistered OTI having no tariff or bond, insurance, or other surety as required by sections 8 and 19 of the Shipping Act.

19. On information or belief, Orient knowingly and willfully entered into a contract with Qingdao PGL which is an ocean transportation intermediary that does not have a tariff and a bond, insurance, or other surety as required by sections 8 and 19 of the Shipping Act constitute violations of Section 10(b)(12) of the Shipping Act.

20. Orient's actions in willfully, intentionally, and knowingly failing to deliver the cargo as per the bill of lading; in failing to communicate with Astra; and in failing to tender the Documents upon request by Astra constitute violations of 46 U.S.C. §41102(c) and 46 C.F.R. §515.32(c).
21. The damages that Astra will sustain unless it is able to obtain its cargo immediately could include demurrage, detention, and storage charges.
22. The damages that TDS will sustain unless it is able to obtain its cargo immediately include loss of goods or depreciation of goods.
23. Astra and TDS seek reparations pursuant to 46 U.S.C. § 41305 for its actual injury, interest, and attorneys' fees.
24. Astra and TDS also request that the Commission impose a penalty upon Orient in the amount of not less than \$25,000 pursuant to 46 U.S.C. § 41107 in light of the willful, intentional nature of Orient's actions.
25. Orient has been non-responsive to inquiries by Astra and TDS and their legal counsel, in violation of 46 CFR 41102(c). *See* Rule 62(e). As a result, informal dispute resolution procedures were not used prior to the filing of this Complaint, and no consultation was made with any Commission Dispute Resolution Specialist regarding the same.
26. Astra and TDS pray that Orient be required to answer the charges herein; that, after due hearing, an order be entered commanding Orient to release to Complainants the twenty-three containers at issue and cease and desist from its violations of the Shipping Act; and that Orient be ordered to pay to Astra and TDS reparations for the losses they suffer from the unlawful conduct described above, with interest and attorneys fees to be specified hereafter, as provided for under 46 U.S.C. § 41305(b), and such other reparations that the Commission deems just and proper.
27. Astra and TDS request that a hearing in this matter be held in Washington, D.C.
