ORDER REQUIRING STATUS REPORT

On May 2, 2025, the undersigned entered a scheduling order requiring the parties to submit a joint status report on June 20, 2025. Dkt. 21. On June 20, 2025, the parties submitted their report, in which they reiterated their concerns about their ability to complete discovery in the timeframe set forth in the scheduling order. Dkt. 29. They further stated that due to the scope of discovery and difficulties with obtaining documents from custodians in Korea, they were unable to provide all the information I requested in the scheduling order regarding the progress of discovery, but that they would be able to do so by July 11, 2025.

The parties are hereby **ORDERED** to file an updated Joint Status Report no later than **July 11, 2025**. To reiterate, the status report must describe: the number of custodians searched by each party and any custodians remaining to be searched; the volume of documents/ESI returned from those searches; the volume of documents/ESI reviewed; the volume of documents/ESI produced; any obstacles encountered in reviewing or producing documents/ESI; anticipated number of depositions for each party and any obstacles related to scheduling those depositions. The report must also include any other information relevant to the discovery schedule.
