

FEDERAL MARITIME COMMISSION

Office of Administrative Law Judges

MOSES DAMISA, *Complainant*

v.

TRANS ATLANTIC SHIPPING LLC, *Respondent*.

DOCKET NO. 1967(F)

Served: April 1, 2021

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

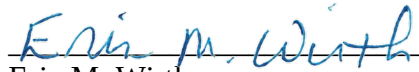

ORDER REQUIRING THIRD JOINT STATUS REPORT

On March 24, 2021, the parties submitted their second joint status report, as required by the order issued February 25, 2021. The parties state that they have exchanged discovery requests and agreed to a virtual mediation through the Commission's Office of Consumer Affairs and Dispute Resolution Services ("CADRS") prior to other action in this proceeding. The parties suggest filing another status report at the end of April.

The parties are encouraged to complete discovery and pursue a resolution, including mediation through CADRS. The parties should be aware, however, that any requests for extension of deadlines must be approved by the undersigned.

Given that progress is being made in the proceeding, the parties will be granted additional time to exchange discovery, engage in mediation, and file their third joint status report. As noted in previous orders, the parties should only indicate in the joint status report whether mediation occurred, they must not provide any details regarding their positions in mediation. If a settlement is reached, the parties must submit a copy of the settlement agreement with a motion requesting approval.

Accordingly, it is hereby **ORDERED** that the parties be **GRANTED** until April 30, 2021, to voluntarily exchange discovery, to engage in mediation of their dispute through CADRS, and to file a third joint status report.
