**JOINT STATUS REPORT FOR MAY 28, 2021**

COMES NOW counsel for the above parties and agree to submit this Second Joint Status Report. This report is submitted as ordered by this Court in its Order dated May 3, 2021.

The parties hereby report that they have contacted the Commission's Office of Consumer Affairs and Dispute Resolution Services ("CADRS"). The parties have participated in telephone discussions with the mediator assigned to this matter and have set out a time frame to move this matter forward. As part of the agreed time frame, the parties have exchanged discovery requests and have agreed to a thirty-day response time. While the parties may still want to conduct additional discovery if mediation is not successful, they have agreed to move forward with mediation now.

The parties have agreed with the mediator to conduct virtual mediation and that the mediation will take place prior to any other action with this matter. The mediator and CADRS have agreed to honor the request. The parties expect to have a conference call with the mediator next week to set a date and time for mediation.

Based on the current status of the case, the outstanding discovery, and the upcoming mediation, the parties suggest that they submit another status report at the end of June.

If the Court has any questions about the current status of this matter or the plans to move forward with mediation, please do not hesitate to let us know.

This 28<sup>th</sup> day of May 2021.

Respectfully submitted,  
THRIFT MCLEMORE
