

**BEFORE THE
FEDERAL MARITIME COMMISSION**

Docket No. 25-07

PKDC, LLC,

Complainant,

v.

COSCO SHIPPING LINES CO., LTD.,

Respondent.

JOINT MOTION TO EXTEND DEADLINES

Pursuant to the Commission's Rules of Practice and Procedure, 46 C.F.R. §§ 502.69 and 502.101, Complainant PKDC, LLC ("PKDC") and Respondent COSCO Shipping Lines Co., Ltd. ("COSCO"), by their undersigned counsel, submit this joint motion to extend deadlines respectfully requesting an extension of the remaining deadlines set forth in the Presiding Officer's Scheduling Order, as detailed herein, by fourteen (14) days. The parties seek this extension to provide additional time to complete settlement discussions.

Good cause exists for a brief extension of the remaining deadlines by one week. In the additional time provided by the previous extension of the Scheduling Order, the parties have diligently worked to narrow their discovery disputes and continued to discuss settlement. Specifically, after the parties met and conferred regarding Respondent's responses to Complainant's second discovery requests and successfully narrowed certain discovery disputes, the parties engaged in further settlement discussions which should soon result in an agreement in principle. Due to personal travel on the part of relevant personnel, however, such discussions

cannot be completed before the current discovery deadline of August 31, 2026. A brief extension of time to finish these settlement discussions and reach an agreement in principle will promote the Commission's "policy in favor of settlement," *Carlstar Grp. LLC v. UTL, U.S., Inc.*, Docket No. 17-08, 2018 WL 4002863, at *1 (ALJ Aug. 14, 2018) (granting a brief extension of deadlines), and not significantly delay the resolution of this matter. Should an agreement in principle be reached, the parties anticipate requesting a stay of proceedings to finalize their settlement agreement.

The parties respectfully request that the Presiding Officer extend the remaining deadlines as follows:

Event	Current Deadline	Proposed New Deadline
Close of all discovery	August 31, 2026	September 14, 2026
Complainant's brief, proposed findings of fact, and appendix	September 15, 2026	September 29, 2026
Respondent's opposition brief, proposed findings of fact, responses to Complainant's proposed findings of fact and appendix	October 15, 2026	October 29, 2026
Complainant's reply brief and responses to findings of fact	October 29, 2026	November 12, 2026

For the foregoing reasons, the parties respectfully request that the Presiding Officer grant the instant motion and extend the deadlines in this matter.

Dated: August 31, 2026

Respectfully submitted,
