RESPONDENT AND ITS ADDRESS

8. At all relevant times, Respondent Reliable was and is a corporation, limited liability company or other entity, duly existing under the laws of the State of New York and/or one of the States of the United States of America, with a place of business at 175-01 Rockaway Blvd., Jamaica, New York 11434 and is engaged in the business of acting as a non-vessel operating common carrier ("NVOCC"), freight forwarder, bailee and/or warehouseman for hire.
9. Attached as Exhibit A are copies of full records on file with the New York Secretary of State Division of Corporations for Reliable Logistics LLC, which lists the above as the true and correct business address for service of process.

10. Upon information and belief, Respondent Reliable Logistics LLC was a FMC licensed NVOCC with an Ocean Transportation Intermediary Number 18357N.

STATEMENT OF FACTS

11. Complainants hired Reliable to provide certain transportation and related services with regard to various shipments being imported into the United States.
12. Throughout the course of dealing between Complainants and Reliable, Complainants tendered and shipped numerous cargoes with Reliable.
13. On or about April 20, 2004, Reliable Logistics LLC, abruptly and without notice, informed Complainants that it no longer desired to provide transportation services to Complainants and wished to terminate the business relationship.
14. On or about April 20, 2004, Reliable demanded that Complainants immediately settle all invoices, including invoices in connection with twelve (12) containers which had arrived, or would be soon arriving at destination, but which were still uncollected by Complainants.
15. Attached as Exhibit B is a communication from Reliable to Complainants asserting its demands in connection with its desire to terminate its relationship with Complainants.
16. Throughout the course of dealing between Reliable and Complainants, Reliable extended 30-day credit terms for payment of all invoices for freight and other charges in accordance with Reliable's Tariff Rule 7, attached as Exhibit C.

17. In its attempts to terminate its business relations with Complainants, Reliable wrongfully seized the twelve (12) containers of Complainants' cargoes still uncollected by Complainants, presumably as leverage for its wrongful demand for immediate payment of all invoices for freight and other charges, notwithstanding the extension of credit and 30-day payment terms to Complainants.

AS AND FOR A FIRST CAUSE OF ACTION

18. Complainants repeat each and every allegation in the foregoing paragraphs as if set forth at length herein.
19. Through various discussions and negotiations between Complainants, its agents, and Reliable, as well as through payments under protest, Complainants were able to secure and obtain the release of eleven (11) of the twelve (12) containers wrongfully seized.
20. However, Complainants were unable to secure the release of a single container, numbered GSTU6393493, containing various children's garments, originally transported from Shanghai to Los Angeles, under Reliable Logistics LLC Bill of Lading No. PUDGS2002337, attached as Exhibit D.
21. Despite Complainants' demands and tender of full freight charges, which were refused by Reliable, Reliable and or/its agents failed and refused to release, surrender, or otherwise allow Complainants to obtain control or possession of the aforementioned shipment.

22. Complainants have fully performed all duties and obligations on their part to be performed.
23. By reason of the premises, Reliable wrongfully and/or intentionally converted Complainants' goods for its own use, was negligent, breached its contractual and other legal duties, and is otherwise at fault.
24. Reliable's wrongful seizure, conversion, and confiscation of Complainants' goods also constitutes a violation of §10(d) the Shipping Act of 1984, insofar as Reliable failed to establish, observe, and enforce just and reasonable regulations and practices in connection with its transportation services provided to Complainants, and its actions have caused Complainants damages in the amount of \$71,274.91.
25. In support of this Cause of Action, Complainants attach as Exhibit E the commercial invoice showing a sale price of \$68,682.00, and the Entry Summary, Form 7501, showing duty paid in the amount of \$2,582.91 for the goods in the container confiscated by Respondent.

AS AND FOR A SECOND CAUSE OF ACTION

26. Complainants repeat each and every allegation in the foregoing paragraphs as if set forth at length herein.
27. The cargo in container GSTU6393493, wrongfully seized by Reliable, consisted of baby/children's garments to be sold and marketed as a "grouping of styles" in department stores.

28. Subsequent cargoes shipped by Complainants in April/May 2004 with new and different carriers/transportation providers were intended to be sold in conjunction with the cargo in GSTU6393493 as part of the "grouping of styles".
29. Complainants' customers/buyers were wholesalers engaged in on-sale primarily to large department stores with strict buying/purchasing seasons and delivery windows and were forced to cancel various orders.
30. Attached as Exhibit F is correspondence from Complainants to Reliable advising of the customers' canceling date of April 23, 2004, and the potential consequences of Reliable's wrongful seizure of cargoes.
31. As a result of missing the contractual delivery windows, in order to consummate the sales for which Complainants' customers were entitled to cancel, Complainants were forced to provide its affected customers with discounts on six (6) subsequent shipments involved in the "grouping of styles", totaling \$314,037.05, in amends for the disruptions arising from Reliable's wrongful actions in seizing and substantially delaying Complainants' cargoes.
32. By reason of the premises, Reliable failed to establish, observe, and enforce just and reasonable regulations and practices in violation of §10(d) of the Shipping Act of 1984, and its actions has caused Complainants damages in the amount of \$314,037.05.
33. In support of this Cause of Action, Complainants attach as Exhibit G invoices and Bills of Lading for subsequent shipments containing mandatory discounts to its affected customers arising from Reliable's seizure and wrongful retention of containers.

AS AND FOR A THIRD CAUSE OF ACTION

34. Complainants repeat each and every allegation in the foregoing paragraphs as if set forth at length herein.
35. In connection with Reliable's services to Complainants, Reliable was tendered certain China quota visas, documents which were required for the importation of certain types of goods from China, and which Complainants owned and purchased from a corporation and/or agency of the Chinese government.
36. Despite being duly demanded by Complainants, and as set forth in a communication of April 23, 2004 (see Exhibit F), Reliable failed and refused to deliver and/or surrender the documents to Complainants.
37. By reason of the premises, Reliable wrongfully and/or intentionally converted Complainants' documents for its own use, was negligent, breached its contractual and other legal duties, and is otherwise at fault.
38. Reliable's wrongful retention of visa documents owned by Complainants, also constitutes a violation of §10(d) of the Shipping Act of 1984, insofar as Reliable failed to establish, observe, and enforce just and reasonable regulations and practices in connection with its transportation services provided to Complainants.
39. By reason of the premises, Complainants incurred damages in the amount of \$96,720.00.
40. In support of this Cause of Action, Complainants attach as Exhibit H, the invoice from Fujian Agricultural Mean of Production Holding, a Chinese state-

owned enterprise engaged in distributing quota visas, and wire transfer payment confirmation for Complainants' purchase of visas.

REQUEST FOR SUBPART "K" SHORTENED PROCEDURE - HEARING LOCATION

41. Complainants request Shortened Procedure, *without* hearing in accordance with Subpart K. However, should a hearing be held, Complainants request that such hearing be held in New York City, New York or in Washington, DC, whichever may be had in accordance with the Commission's capabilities.

STATEMENT OF INFORMAL DISPUTE RESOLUTION

42. Complainants affirm that that they attempted to resolve their dispute(s) with Respondent Reliable Logistics LLC in an informal manner through exchanges between representatives, agents, and principals of Complainants and Reliable, but that Complainants were unable to resolve their dispute(s) through reasonable efforts.
43. At this time, upon information and belief, Respondent Reliable is no longer operating as a FMC licensed NVOCC and/or freight forwarder and further attempts to resolve this matter without Formal Complaint or legal action would be futile.
44. Upon information and belief, Respondent closed business around September 2004 but recommenced doing business as "Petcon Freight" or a similarly titled entity, but has since ceased doing business under this corporate form as well and cannot be located with reasonable diligence.

45. Complainants fully expect that Respondent will not appear to answer the allegations herein and request expedited, Shortened Procedure under Subpart K.

WHEREFORE, Complainants respectfully request:

- a. That an Order for Reparations be entered in favor of Complainants and against Respondent as to the First Cause of Action in the amount of \$71,274.91;
- b. That an Order for Reparations be entered in favor of Complainants and against Respondent as to the Second Cause of Action in the amount of \$314,037.05;
- c. That an Order for Reparations be entered in favor of Complainants and against Respondent as to the Third Cause of Action in the amount of \$96,720.00;
- d. That the Commission grant such other, proper and further relief, in accordance with its delegated powers, as it may deem just, proper and equitable in the circumstances.

Freight charges, assessorial charges, surcharges or other charges named in this Tariff including advanced charges may be prepaid or collect (see NOTE 1) at origin or destination, SUBJECT to the provisions named herein. However, regardless of whether B/L payment status is prepaid or collect, the Shipper, his duly authorized Freight Forwarder, the Consignee and the Beneficial Cargo Owner shall be, and will remain, jointly and severally liable for all unpaid charges and freight, including but not limited to, any sums advanced or disbursed by the Carrier for the account of the cargo.

NOTE 1: Shipments of the following commodities MUST be PREPAID in all instances: Household Goods; Personal Effects

- a. All freight and additional charges named in this Tariff are due and considered earned upon receipt of the cargo by the originating Carrier, or his agent, and shall be paid to the Carrier without discount or deduction, whether the ship and/or cargo is lost or not lost, transportation is interrupted or abandoned, whether the cargo is damaged or ruined, or whether packages or containers are delivered empty or partly empty at destination.
- b. Rates and charges named in this Tariff are quoted in U.S. Currency and have been determined with due consideration to the relationship of U.S. Currency to the other currencies involved. In the event of any material deterioration in the exchange value of U.S. Currency, Carrier reserves the right, upon publication herein, to adjust the rates and charges named in this Tariff to remove any adverse effect in conformity with the U.S. Shipping Act of 1984, as amended, and the regulations of the Federal Maritime Commission issued pursuant thereto.
- c. When freight and other charges named in this Tariff are paid in foreign countries, Carrier will accept payment in a foreign currency provided it is freely convertible. When payment is effected in other than U.S. Currency, currency conversion shall be calculated on the basis of the highest official bank selling rate of exchange as quoted on the official exchange for the currency involved, on the day shipment is tendered to originating Carrier.
- d. The payment status of a B/L may NOT be changed once transportation service of cargo has commenced (i.e. "prepaid" shipments cannot be changed to "collect" shipments and likewise "collect" shipments cannot be changed to "prepaid" shipments) without the express approval of the Carrier.
- e. Carrier or its duly authorized agent, will, upon request of the Shipper, Freight Forwarder, Consignee or Beneficial Cargo Owner, extend credit to the party

listed in the B/L as responsible for the payment of freight and charges, in amounts not to exceed freight, assessorial, terminal and/or advanced charges. The credit period shall be 30 (thirty) days from the date of delivery of cargo in the case of collect shipments or from the date of originating Carrier's cargo receipt in the case of prepaid shipments.

If freight or other charges are NOT paid within the credit period specified above, the Carrier will cancel the delinquent party's credit privileges after which time ALL freight and assessorial charges applying on shipments moving for the account of such party MUST be paid in cash, cashier's check or money order at the time, or prior to the time, cargo is tendered to originating Carrier for transportation.

If any party responsible for the payment of charges fails or refuses to pay lawful freight and/or other charges due as specified above, Carrier shall be entitled to recover all collection costs incurred, including but not limited to, reasonable collection agency fees, attorney's fees and court costs.

This is our final notice.

The illegal seizure of our containers, (Ref. #S LIN0175, LIN0177, LIN0184, LIN0168, LIN0171, LIN0156) by your company, Reliable Logistics, and your refusal to deliver the goods to our buyers by Friday, April 23, 2004, will result in cancellation of these shipments and subsequent "packaged" shipments.

We urge you to cease and desist your illegal confiscation of our goods and deliver our shipments prior to the above mentioned cancellation date. Once again, I reiterate, Reliable-Logistics will bear all financial losses resulting from your illegal seizure of our goods and refusal to deliver the shipments to our buyers prior to the April 23, 2004, cancellation date.

In addition, we respectfully request you courier all remaining shipping documents and visas currently in your possession no later than April 23, 2004. Otherwise, we will have alternative but to invoice you for the costs of the documents.

We are re-sending our e-mail dated 4/21/04. Please confirm receipt. Thanks.

Please note, the following shipments, (Ref. #S LIN0175, LIN0177, LIN0184, LIN0168) will be canceled by the buyers if you fail to deliver the goods by Friday, the 23rd of April. In addition, 3 of the listed shipments are "packaged" arrangements. In other words, if the buyers miss the delivery "window" for the initial shipment, the department stores will automatically cancel the remaining styles they purchased as a "packaged" grouping for their stores.

Once again, I have no alternative but to remind you that we will hold Reliable Logistics responsible for all financial losses incurred due to your failure to deliver our shipments as scheduled to our buyers.

Regards,
 Moe
