**WORLD EXPRESS SHIPPING TRANSPORTATION AND
FORWARDING SERVICES, INC.'S RESPONSES TO COMPLAINANT
AL KOGAN'S FIRST SET OF INTERROGATORIES**

Pursuant to § 502.205, FMC Rules of Practice and Procedure, WORLD EXPRESS SHIPPING TRANSPORTATION AND FORWARDING SERVICES, INC. ("W.E.S.T.") responds to complainant, AL **KOGAN's first** set of interrogatories as follows:

Interrogator-v No. 1:

Interrogatory No. 2:

Identify any written or oral statements made by any parties or persons with knowledge of the allegations in Al Kogan's complaint, WEST's answer and counterclaim to that complaint, and the answer thereto, in this matter. For each such statement, indicate whether it is written or oral. If written, indicate the date when made and the name and address of the person who has custody of said statement. If oral, indicate the time, date made and persons present when said statement was made.

ANSWER: Written and/or oral statements.

- a. On or about January, 1998, **WEST** agreed to act as an ocean freight forwarder for Al Kogan to arrange for the transport of a **40-foot** Container of automotive care products to

Moscow. Persons present at the meeting were Jean De Keyser, Al Kogan and Faith Krzeminski.

b. On February 26, 1998, Al Kogan gave verbal instructions to Faith Krzeminski to arrange for the transport of the Container to Moscow via Kotka, Finland using A.O.L. Jean De Keyser was also present when these instructions were made.

Interrogator-v No. 3:

Describe in detail the contract, oral or written, between WEST and Al Kogan relating to the transport of the Container. If written, indicate the date when made and the name and the address of the person who has custody of said contract. If oral, indicate the time, date made and persons present when said contract was made.

ANSWER:

WEST did not contract with Al Kogan to transport the Container. **WEST** agreed to serve as the ocean freight forwarder and to arrange for the transport of the Container. During January, 1998, Al Kogan d/b/a **Galaway** International contacted WEST for the purposes of shipping a **40-foot** container of automotive care products from Chicago to Moscow in late February, 1998. On February 26, 1998 early in the morning, Al Kogan contacted Faith Krzeminski at **WEST** and relayed verbal instructions to book the cargo, requesting routing through Kotka, Finland, with A.O.L., a Non-Vessel Operating Common Carrier ("NVOCC") located in New York.

Interrogatory No. 4:

Describe in detail the alleged instructions from Al Kogan to WEST to specifically use AOL for the shipment of the Container. If written, indicate the date when made and the name

and the address of the person who has custody of said writing. If oral, indicate the time, date made and persons present when said instruction was given.

ANSWER:

All instructions from Al Kogan were verbal. On or about January 1998, **WEST** agreed to act as an ocean freight forwarder for Al Kogan to arrange for the transport of a 40-foot Container of automotive care products to Moscow. Mr. Kogan directed that WEST request the carrier to route the shipment through the Port of Kotka. Persons present during that discussion were Jean De Keyser, Al Kogan and Faith Krzeminski.

On February 26, 1998, Al Kogan gave verbal instructions to Faith Krzeminski to arrange for the transport of the Container to Moscow using A.O.L. and to have A.O.L. route the shipment through Kotka, Finland. Jean De Keyser was also present when these instructions were made.

Interrogatory No. 5:

How and when did WEST participate in the transport of the Container. Identify any and all persons who have or may have personal knowledge of such participation.

ANSWER:

WEST did not participate in the transport of the Container. WEST agreed to serve as the ocean freight forwarder and to arrange for the transport of the Container. During January, 1998, Al Kogan contacted **WEST** to serve as the ocean freight forwarder of a 40-foot container shipment of automotive care products from Chicago to Moscow, via Kotka, Finland. In accordance with the instructions received from Al Kogan on February 26, 1998, WEST booked the container with A.O.L. for shipment from Chicago to Russia, via Kotka, Finland.

Those persons who have personal knowledge of the contract between WEST and Al Kogan, d/b/a **Galaway** International have been identified in Interrogatory No. 1.

Interrogatory No. 6:

Describe precisely the different kinds of business activities that WEST and its affiliated company Westainer is engaged in and the services they offer in their respective capacities as non-vessel operating common carriers (**NVOCCs**) and in their respective capacities as freight forwarders.

ANSWER:

WEST did not act as an NVOCC in this case, and **WEST** thus objects to this question on the grounds that Westainer's activities are not relevant to this case. Regarding WEST, as a ocean freight forwarder, WEST is licensed by the Federal Maritime Commission to arrange for the movement of cargo in accordance with duties and responsibilities assigned to ocean freight forwarders under Part 515 of Title 46 of the Code of Federal Regulations, and in compliance with other applicable federal regulatory requirements. **WEST** did not act in the capacity of an NVOCC and so the question is irrelevant as concerns Westainer.

Interrogatory No. 7:

Describe in detail what services were offered to Al Kogan in 1997 and 1998 by **WEST** and Westainer and what actual work was performed by WEST and Westainer for Al Kogan during that period. Also describe in detail specifically what such services and actual work was done by WEST and Westainer in regard to the shipment of this Container. Identify any and all persons who have or may have personal knowledge of such services and such actual work for

the period 1997 and 1998, including specifically any services or actual work done for the shipment of this Container.

ANSWER:

Regarding **WEST**, the services and work performed by WEST are as follows: In accordance with the verbal contract entered into on or about January, 1998, WEST offered its services solely as an ocean freight forwarder to Al Kogan. In that capacity, WEST booked the shipment with the carrier, A.O.L., and arranged for positioning the container with A.O.L., the NVOCC requested by Kogan, and completed the appropriate documentation required for the movement of the shipment. Those persons having or who may have personal knowledge of these services include the following:

- a. Jean De Keyser, President, WEST.
- b. Al Kogan, President, **Galaway** International
- c. Faith Krzeminski, Export Mgr., **WEST**
- d. Peter **Janetzki**, WEST
- e. Ben Francis, International Dept., A.O.L.
- f. Andy Sharma, President, A.O.L.
- g. Mr. Raj, A.O.L.
- h. Jeff Victor, VP, Treatment Products, Ltd.
- i. Patricia White, Export Customs Serv. Specialist, **Penray** Companies, **Inc.**

Westainer did not provide any services for Al Kogan in 1997 and 1998.

Interrogatory No. 8:

ANSWER:

See Response to Interrogatory No. 9. All changes in instructions, requests, or indications by **WEST**, were made upon explicit verbal instructions from Kogan, or Kogan's approval of suggestions **WEST** made to Kogan. The course of dealing between the parties was such that Kogan delivered only verbal instructions.

Interrogator-v No. 11:

Container. Identify any and all persons who have knowledge of such complaints and the Documents relating to such complaints.

ANSWER:

To the best of WEST's knowledge, no complaints were lodged with WEST regarding non-performance on the part of **WEST**, until such time as WEST issued the appropriate invoices to Al **Kogan/Galaway**, for services rendered.

Interrogatory No. 12:

Identify any and all persons or entities who, from 1996 to the present, complained orally, electronically, or in writing to WEST, the FMC, or any other private or governmental organization, or otherwise lodged a complaint with WEST, the FMC, or any other private or governmental organization, concerning the poor performance of WEST, its employees, or its agents, and state the nature of such complaint(s) and when and where they were made.

ANSWER:

Interrogatory No. 13:

Interrogatory No. 15:

Identify any and all persons and entities employed or hired by **WEST** who worked on, or otherwise performed services related to, the transport of the Container, and what their respective work or service consisted of.

ANSWER:

a. Faith Krzeminski. As identified in Interrogatory Nos. 1, 3, 4, 7 and 9, Faith Krzeminski is the Export Manager for WEST. As such, Ms. Krzeminski conveyed the verbal instructions of Al Kogan to Atlantic Ocean Lines for purposes of booking the container.

b. Jean De Keyser. Mr. De Keyser is President of WEST. When WEST discovered that A.O.L. rerouted the container in question without authorization or notice to **WEST**, Mr. De Keyser immediately contacted A.O.L. and Al Kogan, invoked the assistance of the FMC and agents in Israel in an attempt to assist Kogan by getting A.O.L. to correct its mistake to the satisfaction of Al Kogan.

c. Atlantic Ocean Line (A.O.L.). Pursuant to the instructions of Al Kogan, WEST contacted A.O.L. to serve as the NVOCC for the container. A.O.L. was instructed to route the container from Chicago to Moscow, via Kotka, Finland. Again, without notice to **WEST**,

A.O.L. disregarded the booking instructions and routed the container to Odessa via Haifa, Israel.

d. ZIM Container lines. Ship used by A.O.L. to transport container to Haifa. Contacted by WEST on April 2, 1998 for purposes of tracking the container in Haifa.

e. Yoram **Haham &** Co., Law Offices. Israeli law firm contacted by M.S. Line on behalf of WEST as ocean freight forwarder/agent for Kogan for the purpose of filing an injunction against ZIM Container in Haifa in order to block and hold the container misrouted by A.O.L.

f. M.S. Line Ltd. Freight Services. Freight forwarder in Haifa, Israel contacted by WEST on March 31, 1998 to ship the cargo from Haifa to Moscow, via Kotka using ZIM Container.

Interrogatory No. 16:

List and describe any and all costing or **valuation** methods used by WEST, or any other individual or entity working on behalf of WEST, in determining any costs or expenses involved in the transport of the Container as well as the invoice amounts charged to Al Kogan relating to the transport of the Container, and how the particular amounts were arrived at in this case, including, in particular, the \$6,300 amount charged to Al Kogan for the shipment of the Container from Kotka to Chelyabinsk in August of 1998. Identify any and all persons who have or may have personal knowledge of the application of such costing or valuation methods to the transport of the Container as well as to any of the invoice amounts charged to Al Kogan relating to the transport of the Container, and how the particular amounts were arrived at in this case.

ANSWER:

The methods used by WEST in determining the costs of transportation and valuation of the cargo are arrived at based on quotations received from service providers engaged in the transport of the Container. The quotations include freight charges, port fees, storage and demurrage fees, weight and volume of cargo, method of delivery, etc. WEST provided documentation from each of these providers to Al Kogan. In addition, the invoices issued to Al Kogan on March 16, 1998 and May 22, 1998 were both accompanied by a letter from Jean De Keyser detailing the charges contained therein. Regarding the \$6,300, this amount was not charged to Al Kogan by WEST. This was an amount paid by Al Kogan to **ZIM's** agent.

The persons who have knowledge relating to the costing and valuation methods used by WEST include: Jean De Keyser (WEST); Faith Krzeminski (WEST); Ben Francis (A.O.L.); Andy Llanes (ZIM Container Services); Shuli Mordehay (**M.S.** Line Ltd.); Nina **Cordova** (Yoram, Hahm & Co., Law Offices); and Mr. Gezundhajt (ZIM Container Lines).

Interrogatory No. 17:

Describe in detail the exact function and responsibilities undertaken by each intermediary in the transport of the Container.

ANSWER:

The functions and responsibilities of each party, including any intervening parties, are addressed in detail in Interrogatory Nos. 9 and 15. See Responses to Interrogatories 9 and 15.

Interrogatory No. 18:

Identify any and all persons with whom WEST had communications, whether oral, electronic, or written, at the following entities, between 1996 and the present, and when, how

and where such communications took place, the subject matter of those communications, and any and all persons who would have personal knowledge of such communications:

- a. Al Kogan,
- b. AOL,
- c. Recovery International Inc.,
- d. Treatment Products, Ltd.
- e. M.S. Line LTD.,
- f. Argosy International Insurance,
- g. O'Donnell, Byrne and Williams,
- h. Krogius,
- i. steveco **OY**,
- j. OOCL (FINLAND) OY,
- k. Black Sea and Baltic General Insurance Company Limited,

ANSWER:

- a. Al Kogan d/b/a **Galaway** International. 1) Al Kogan, President. The subject of communication was business between WEST and **Galaway** in which WEST served as the ocean freight forwarder for shipments including, prior to and subsequent to this transaction. 2) Jon Kogan, VP. Written and oral communication regarding diversion of the container. 4) Andy Sharma, President. Written communication regarding **A.O.L.'s** diversion of the container, the actions of its employees, steps to be taken to correct the routing and delivery of the container to Kotka, and reimbursement for costs incurred by WEST and the shipper, as a result of **A.O.L.'s** error.

c. Recovery International Inc. Bob Parker. Written and oral correspondence regarding potential legal actions against **Galaway** to recover fees for services rendered in connection with the shipment of the container.

Line. 2) Mr. **Dubi** Mordehay. Written and oral communication regarding the container routing and legal fees of Israeli local counsel.

f. Argosy Int'l Insurance. The only communication WEST had with Argosy concerned insurance for the shipment at issue.

g. O'Donnell, Byrne and Williams. Paul Byrne, Esq. Written and oral communication regarding actions of A.O.L. and potential action to be taken on behalf of WEST and the shipper.

h. Lars Krogus. Contact with Helen Kanninen as the agent in the port of Kotka, Finland. WEST contacted Kanninen via fax on May 11, 1998 with specific instructions from Al Kogan to hold the container upon its arrival in Kotka pending written instruction from WEST to release the container to Moscow.

i. Steveco OY. Written communication from WEST requesting that Steveco OY accept consignment of the container in Kotka.

j. OOCL (Finland) OY. Written and/or oral communication with this entity on another shipment WEST handled for Al Kogan after the transaction at issue.

k. Black Sea and Baltic General Insurance Company Limited. WEST had no direct contact with this party.

l. Yoram, Hahma & Co., Law Offices. Hired by M.S. Line, agent of WEST in Israel. Written communication with Yoram **Haham** and Nina **Cordova** to obtain an injunction against ZIM.

m. ZIM Israel Navigation Company and its agents. 1) Mr. Gezundhajt. Written communication regarding tracking location of the container. 2) Andy Llanes. Written communication regarding rerouting of shipment and execution of bills of lading. 3) Ken. Written and oral communication regarding release of the container.

Interrogator-v No. 19:

Describe in detail what, if any, effort was made by WEST to review the shipping details, including a review of Llyod's shipping schedules, of the Container once ZIM Japan.21 was identified as the vessel transporting the Container.

ANSWER:

Once WEST became aware that A.O.L. misrepresented their services to WEST and intended to ship via Haifa and Odessa to Moscow instead of via Kotka, WEST was in constant communication with A.O.L. and with ZIM to determine the location of the Container, and when and where WEST could intercept the Container and have it rerouted from Haifa and Hamburg to Kotka. Any shipping details would have been communicated verbally to WEST by ZIM.

Interrogator-v No. 20:

Describe in detail how and when, if ever, WEST notified AOL that the Container must go through Kotka.

ANSWER:

Pursuant to Al Kogan's instructions, WEST contacted A.O.L. for purposes of transporting the Container. In its first contact with A.O.L., **WEST** gave verbal instructions to A.O.L. regarding the shipment of the Container, making it explicitly clear that the shipment was to go from Chicago to Moscow via Kotka. A.O.L. issued a bill of lading correctly identifying Kotka as the port of transit. WEST booked with A.O.L. based upon this representation of A.O.L., and upon authorization of **Kogan**.

Interrogatory No. 21:

Describe in detail how and when **WEST** discovered that the Container was being sent to Haifa and Odessa instead of Kotka.

ANSWER:

WEST discovered that the Container was being sent to Odessa instead of Kotka when **WEST** received the second bill of lading issued by A.O.L. in which A.O.L. changed the route, showing the Container was being shipped to Odessa on the Black Sea. WEST received this second bill of lading from A.O.L. via courier on March 30, 1998. WEST subsequently learned from Israeli legal counsel, that the Container was stopped in Haifa awaiting oncarriage to Odessa.

Interrogator-v No. 22:

Describe in detail WEST's previous relationship with AOL previous to the shipment of this Container and identify which person or persons has personal knowledge of that relationship.

ANSWER:

WEST has not had any shipments with A.O.L. prior to the booking of the shipment which is the subject of this action.

Interrogatory No. 23:

Describe in detail what, if any, efforts were made by WEST to resolve the deviation of the Container from its shipping date of March 9, 1998 to March 31, 1998, and why the Container was later directed through **Antwerp** and not Hamburg on its way from Haifa to Kotka.

ANSWER:

Regarding the efforts made and steps taken by WEST to help resolve the problem created by A.O.L., these have all been detailed in **WEST's** responses to Interrogatory Nos. 9, 15 and 18.

As to why the Container was later directed through **Antwerp** and not Hamburg on its way from Haifa to Kotka, this is incorrect. The ship on which the Container was loaded is called the ZIM **Antwerp**, but the transshipment port was Hamburg.

Interrogator-v No. 24:

Describe in detail when and where the ZIM bills of lading for the shipment of the Container were produced and why there is no freight forwarder listed on those bills of lading.

ANSWER:

The ZIM bills of lading (which show the original vessel ZIM Japan) were produced as soon as the Container was transshipped in **Haifia** on the ZIM **Antwerp** with the destination, Kotka. WEST has no knowledge as to why a freight forwarder is not listed on those bills of lading.

Interrogatory No. 25:

Describe in detail why WEST, as an alleged freight forwarder and not an NVOCC, charged Al Kogan additional monies for his ocean freight, and why, in Al Kogan's final invoices from WEST, credits were not provided for shipments not completed.

ANSWER:

It is customary for an ocean freight forwarder to advance monies on behalf of its shipper and to recover those monies at a later date. WEST advanced **\$13,611.50** to pay for ocean freight, couriers, foreign agents, foreign attorneys. Each expenditure was authorized by

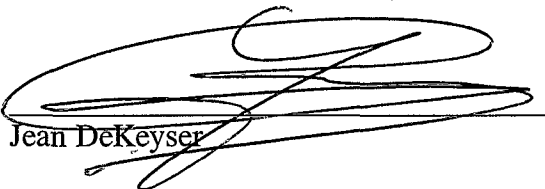

Kogan in his desire to get the container to Moscow via **Kotka**. As part of the specific agreement between WEST and Al Kogan, WEST provided Al Kogan with the actual ocean freight costs and all of WEST's other charges, including but not limited to, forwarding fees, and courier costs. Al Kogan then told WEST to increase its cost by \$200.00. This was Al Kogan's standard procedure to compensate WEST for advancing the freight monies on his behalf, as WEST sometimes had to wait several months to be reimbursed by Al Kogan. This being because Al Kogan would only pay **WEST** once he was paid by his customers.

WEST's invoices do not bill Kogan for "additional" freight monies over and above those authorized by Kogan and paid for on his behalf by **WEST**. Al Kogan's final invoices do not show any credits since WEST's work was completed, and there were no credits due Kogan.

I HEREBY CERTIFY that the answers to the above and foregoing interrogatories are true and correct to the best of my knowledge.

**WORLD EXPRESS SHIPPING TRANSPORTATION AND
FORWARDING SERVICES, INC.'S RESPONSES TO COMPLAINANT
AL KOGAN'S FIRST REQUEST FOR PRODUCTION OF DOCUMENTS**

Pursuant to § 502.206, FMC Rules of Practice and Procedure, Respondent/Counter-Complainant WORLD EXPRESS SHIPPING TRANSPORTATION AND FORWARDING SERVICES, Inc. ("W.E.S.T.") responds to complainant, AL **KOGAN's** first request for production of documents as follows:

Request No. 1:

Any and every Document contained in WEST's "Galaway file" as described by WEST's attorney Peggy Chaplin to Federal Maritime Commission Administrative Judge Kline as being in her possession, including any and all documents relating to all shipments made by WEST for Al Kogan d/b/a **Galaway** International.

Response No. 1:

Copies of all non-privileged documents will be provided.

Request No. 2:

Any and every Document that was prepared by Al Kogan, that originated with Al Kogan, or that was shipped, mailed, or delivered to WEST by Al Kogan, and that is now in the possession of WEST.

Response No. 2:

Copies of all non-privileged documents will be provided.

Request No. 3:

Each and every Document which describes, evidences, or pertains to the contract between WEST and Al Kogan for the transport of the Container.

Response No.3:

There was no written contract between Al Kogan and WEST. Copies of all non-privileged documents pertaining to the shipment at issue will be provided.

Request No. 4:

All Documents and correspondence exchanged between and among WEST, Al Kogan, Westainer, AOL, the FMC, ZIM, and their respective agents, consultants, or any other persons, issued before, during or after the transport of the Container, concerning or effecting it, including but not limited to:

- Bill(s) of Lading,
- Freight forwarder(s) powers of attorney,
- Shipper's letter(s) of instruction,
- Invoices issued, including ones involving insurance, demurrage and storage charges, as well as tax and customs Documents,
- Preshipment inspection worksheet(s) and certificate(s),
- Delivery Instructions,
- Dock receipt(s),
- Any and all rate filed with the FMC,
- All consular Documents and export declarations.

Response No. 4:

This request is unclear and hard to understand. To the extent that it requests information without limit, WEST objects to this request on the grounds that the request is overly broad, excessive and unduly burdensome. WEST further objects to this request on the grounds that it seeks confidential and privileged information and/or work product information. WEST objects to the production of documents concerning Westainer on the grounds that WEST did not act as an NVOCC in this matter and thus those documents would be irrelevant, overly broad, excessive and unduly burdensome.

Without waiving said objection, copies of **all** non-privileged documents pertaining to the shipment of the Container will be provided.

Request No. 5:

All internal Documents, memoranda, notes, telephone call records, diaries, reports, **files**, or records relating to WEST's work on the transport of the Container, including any **in**-house estimates of the cost of the transport and any and **all** Westainer rates filed with the FMC.

Response No. 5:

Copies of all non-privileged documents as pertains to WEST will be provided. No rates were filed with the FMC concerning Westainer since **WEST** did not act as an NVOCC in this matter.

Request No. 6:

All Documents describing, evidencing, or pertaining to WEST's open insurance policy for shipments during 1998, and any insurance contracts covering the Container and its contents and the transport of the Container, for any kind of risk, including any and **all** correspondence

between WEST and Argosy International Insurance concerning insurance coverage for the Container.

Response No. 6:

WEST objects to this request on the grounds that it is overly broad, excessive and unduly burdensome. WEST further objects to this request on the grounds that it seeks confidential and privileged information, including but not limited to, WEST's other clients. A **copy** of the Argosy International Insurance policy covering the said Container is already in the possession of Al Kogan, but a **copy** will also be provided herewith.

Request No. 7:

Each and every record of payment received by W.E.S.T. from Al Kogan for services provided for the transport of the Container.

Response No. 7:

Copies of all non-privileged documents will be provided.

Request No. 8:

All invoices pertaining to the transport of the Container, and any and all Documents used in the calculation of the invoicing for the transport of the Container, including, but not **limited to:**

- The original proposal of rates provided by WEST to Al Kogan,
- The original proposal of rates provided by AOL, Westainer and ZIM to **WEST**, and,
- The rates actually applied by WEST to Al Kogan for the transport of the Container.

Response No. 8:

No documents were used in the calculation of the invoicing for the transport of the Container. WEST received its rates from the carriers and as per WEST's verbal agreement

with Al Kogan, **WEST** added forwarding and accessorial fees and calculated with Al Kogan's verbal approval, a margin of \$200.00 over the ocean freight as compensation for all the work involved. Copies of all non-privileged documents other than the calculation of the invoicing for the transport of the Container will be provided.

Request No. 9:

Any and all Documents regarding shipments involving WEST, Westainer and Al Kogan, together from 1997 to the present.

Response No. 9:

WEST objects to this request on the grounds that it is overly broad, excessive and unduly burdensome. WEST further objects to this request on the grounds that it seeks confidential and privileged information. Without waiving said objection, **copies** of all **non-**privileged documents pertaining to shipments WEST handled for Kogan will be provided.

Request No. 10:

All the Documents, receipts, copies of checks, and statements of account evidencing that **WEST** has effectively paid the bills **and** invoices for which it now claims reimbursement.

Response No. 10:

Copies of all non-privileged documents will be provided.

Request No. 11:

All the statements and Documents made to or received by WEST to or from Al Kogan or any other person describing and evidencing the route approved for the transport of the Container.

Response No. 11:

Copies of all non-privileged documents will be provided.

Request No. 12:

AU Documents referred to in response to the interrogatories served on WEST by Al Kogan.

Response No. 12:

Copies of all non-privileged documents will be provided.

Request No. 13:

All statements and interviews with persons associated or connected with the transport of the Container.

Response No. 13:

WEST objects to this request to the extent that it seeks **privileged** documents and/or work product information. Without waiving said objection, copies of all non-privileged, **non-**work product documents will be provided.

Request No. 14:

All statements and Documents made by WEST and witnesses relative to this case, whether signed or unsigned.

Response No. 14:

No such documents.

Request No. 15:

A current curriculum vitae for each expert witness which might be called to testify as an expert witness in the trial, arbitration, or mediation of this case.

Response No. 15:

No expert witness has been identified as of yet and so no such document exists.

Request No. 16:

The written opinion, if any, of each expert witness which might be called to testify as an expert witness in the trial, arbitration, or mediation of this case.

Response No. 16:

See response to Request No. 15.

Request No. 17:

Any and all memoranda, Documents, correspondence, and notes involving communication, from 1996 to the present, between WEST and the following entities or individuals:

- a. Al Kogan,
- b. AOL,
- c. Recovery International Inc.,
- d. Treatment Products, Ltd.
- e. M.S. Line LTD.,
- f. Argosy International Insurance,
- g. O'Donnell, Byrne and Williams,
- h. Krogius,
- i. steveco **OY**,
- j. OOCL (FINLAND) OY,
- k. Black Sea and Baltic General Insurance Company Limited,
- l. Yoram **Haham** and Co.,
- m. ZEA (including WELZ-ZIM LTD.)

Response No. 17:

WEST objects to this request on the grounds that it is overly broad, excessive and unduly burdensome. WEST further objects to this request on the grounds that it seeks confidential and privileged information and/or work product information. Without waiving said objection, copies of all non-privileged documents/non-work product information pertaining to shipments WEST handled for Kogan will be provided.

Request No. 18:

Any and all memoranda and documents made by investigators concerning any investigations of this case, including all Documents, reports, photographs and statements obtained by agents, employees, investigators or other personnel acting as agents of any party to this litigation.

Response No. 18:

WEST did not conduct investigations.

Request No. 19:

Any and all records, notes, letters or any other Documents pertaining to Al Kogan's complaint, WEST's answer and counterclaim, and the answer thereto in this matter.

Response No. 19:

WEST objects to this request on the ground that it seeks information covered by attorney work product.

Request No. 20:

Any and all records, lists and Documents describing any and all kinds of business activities engaged in by **WEST** and Westainer from 1996 to the present.

Response No. 20:

WEST objects to this request on the grounds that it is overly broad, excessive and unduly burdensome. WEST further objects to this request on the grounds that it seeks confidential and privileged information and/or work product information. WEST also objects on the ground that Al Kogan fails to specify what he means by “business activities. ”

Request No. 21:

All WEST’s “Accounts Receivable” invoices showing the breakout of ocean freight (“CE **OCN** FREIGHT”) charges, including “Receivables,” “Payables,” and Differences” for all of its transactions with Al Kogan, **Galaway** International Co., or **Gallaway** International Co., from 1996 to the present.

Response No. 21:

Copies of all non-privileged documents will be provided.

Request No. 22:

A list of names and addresses, and telephone numbers of expert witnesses and of all persons having knowledge of the relevant facts of this case.

Response No. 22:

A copy of the said list will be provided.

Request No. 23:

Any and all Bills of Lading from Westainer involving shipments originating from the **Penray** Companies, Inc., and Treatment Products, Ltd., from 1997 to present.

Response No. 23:

WEST objects to this request on the grounds that it **seeks** confidential business information concerning **Penray** Companies, Inc., a customer of WEST. Without waiving said

objection, copies of all non-privileged documents pertaining to shipments handled by WEST for Kogan will be provided.

Request No. 24:

Any and all Documents relating to the rotation of the **ZIM** Japan.21 vessel during the voyage(s) of the Container, including the sailing schedule of ZIM during 1998.

Response No. 24:

WEST is not in possession of these documents.

Request No. 25:

The AOL original Bill of Lading showing "Odessa" as the port of unloading described in Jean **DeKeyser's** letter to Paul Byrne of April 1, 1998, as attached "Exhibit 3. "

Response No. 25:

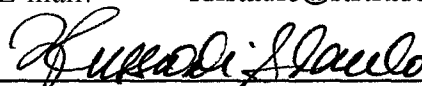

WEST is not in possession of the original bill of lading. As owner of the goods, Al Kogan would have the original bill of lading.
