

**Before the
FEDERAL MARITIME COMMISSION**

Docket No. 22-21

MSRF, Inc.
v.
YANG MING TRANSPORT CORPORATION

UNOPPOSED MOTION FOR ENLARGEMENT OF TIME

Pursuant to the rules of the Federal Maritime Commission 46 CFR 502.102(a) and the Initial Order issued by the Presiding Officer in this matter on August 22, 2022, Respondent Yang Ming Marine Transport Corporation (“Respondent”) respectfully requests, for good cause detailed below, that the time for holding the initial conference be extended by seven (7) days from September 28, 2022 to October 5, 2022, and that the subsequent filing of the requisite Report of the Parties extended until October 10, 2022.

The Parties conferred on September 22, 2022 and Complainant MSRF, Inc. stated that Complainant had no objection to the relief sought in this Motion.

Good cause for the extension is based on the fact that the primary in-house legal and commercial contacts at Respondent dealing with this matter have been recently diagnosed with Covid. Respondent believes that the requested extension will suffice to restore such persons to sufficient health to proceed and will seek a further extension only if their health mandates. Because Respondent is not proposing to extend either the date for discovery to end or the date by which an initial decision is due, grant of this short extension of time will not unduly delay the proceeding.

Dated: September 22, 2022

Respectfully submitted,

By: /s/ Rebecca A. Fenneman
