

BEFORE THE
FEDERAL MARITIME COMMISSION

DOCKET NO. 21-10

ORANGE AVENUE EXPRESS, INC.
Complainant,

v.

HAPAG LLOYD AG
Respondent.

RESPONDENTS' MOTION OF EXTENSION OF TIME

Pursuant to 46 C.F.R. §502.69, Respondent Hapag-Lloyd AG (“Hapag”) hereby moves that the deadline for the exchange of responses to initial discovery requests be extended from the current date of April 11, 2022 to April 20, 2022. This brief extension is necessary to allow the necessary individuals at Hapag, who have been ill and/or dealing with other pressing matters, to sign the verifications of the answers. If granted, the modest extension should not adversely impact the schedule of this proceeding.

Pursuant to 46 C.F.R. §502.71, the undersigned has conferred with counsel for Complainant regarding this request, and has been authorized to represent that counsel for Complainant has no objections to the requested extension, provided, in fairness, the extension is reciprocal to Complainant. Hapag does not object to granting a reciprocal extension to Complainant.

Accordingly, Respondent requests that the scheduling order be revised to allow the parties until April 20, 2022 to exchange responses to their respective initial discovery requests.

Respectfully submitted,
