ORANGE AVENUE EXPRESS, INC., *Complainant*

v.

HAPAG-LLOYD AG, *Respondent*.

DOCKET NO. 21-10

Served: April 11, 2022

ORDER OF: Erin M. WIRTH, *Chief Administrative Law Judge*.

ORDER GRANTING EXTENSION OF TIME TO RESPOND TO INITIAL DISCOVERY REQUESTS

On April 8, 2022, Respondent filed a motion seeking a nine-day extension of time to respond to initial discovery request due to the illness and unavailability of personnel needed to sign the verification of the responses. Respondent states that the modest extension should not adversely impact the schedule of this proceeding and Complainant has no objection as long as the extension is reciprocal.

Good cause having been stated, it is hereby **ORDERED** that Respondent's motion seeking an extension of time to respond to initial discovery requests be **GRANTED**. The responses to initial discovery requests will be due on April 20, 2022. The other deadlines in the schedule remain in effect.
