HANGZHOU QIANWANG DRESS CO., LTD.

Docket No. 17-02

Complainant,

**RESPONDENT'S MOTION TO
COMPEL DISCOVERY FROM
COMPLAINANT**

-against-

RDD FREIGHT INTERNATIONAL INC.

Respondent.

-----x

PLEASE TAKE NOTICE, that pursuant to Rules 26 and 37 of the Federal Rules of Civil Procedure as well as the FMC Rules 502.150, Respondent RDD FREIGHT INTERNATIONAL INC. ("RDD") moves for an order compelling Complainant HANGZHOU QIANWANG DRESS CO., LTD. ("HQP") to produce the documents demanded for inspection and copying and to fully answer the interrogatories and respond to requests for production.

RDD's First Request for Production of Documents and First Set of Interrogatories were duly served upon the Complainant on October 25, 2017. A copy of the Certificate of Service is attached as Exhibit A. In return, four months later, HQD served upon the FMC a copy of "Complainant's Objections and Responses to Respondent's First Request for Production of Documents" dated Feb. 22, 2018; and through which, Respondent did receive the same recently. There are substantial problems with HQD's Objections and Responses, as they are either invalid objections to most of the interrogatories, or evasive and incomplete responses to the interrogatories and to the request for production. In response to RDD's Request for Production of Documents, Respondent provided certain Shipping Documents that RDD already has, except for a

computer printout of some order entries from the Consignee SWAK Kids. A copy each is attached as Exhibit "B".

CERTIFICATION

Through conferences and emails, Complainant has been duly made aware of our continuing requests for the discovery of relevant information sought, our effort to resolve such discovery issues has been in vain. HQD has been coy about providing responsive answers in accordance with the FMC Rules.

RELIEF SOUGHT

Respondent therefore seeks an order compelling HQD to fully answer said Interrogatories and Request for Productions of Documents as listed below.

DOCUMENT REQUESTS

2. To the extent not encompassed in other requests herein, all correspondence with the shippers, the consignees, and/or the owners of the Cargo regarding the Cargo carried under the aforesaid bills of lading.

HQD'S RESPONSE TO REQUEST NO. 2: Subject to and without waiving the foregoing general and specific objections, Complainant will produce relevant, responsive and non-privileged documents, to the extent any exist within its possession, custody, and control and can be located after a reasonable search. Based on its search to date, Complainant has not identified any documents responsive to this Request.

REASON TO COMPEL: For its defense and counterclaim, Respondent needs the identities of persons and their correspondence involved in this process from shipping to delivery as well as documentation leading to some disclosure why the Consignee was able to take delivery of goods without original bills of lading. RDD will also rely on other shipping and sales documents in

HQD's possession for proving its counterclaim that HQD teamed with someone in the US in a scheme to defraud.

5. To the extent not encompassed in other requests herein, all documents that concern or relate to all investigations or inspections made on or on behalf of consignee or you of the alleged failure to receive payments for the Cargo shipped under the aforesaid bills of lading.

HQD'S RESPONSE TO REQUEST NO. 5: Subject to and without waiving the foregoing general and specific objections, Complainant will produce relevant, responsive and non-privileged documents, to the extent any exist within its possession, custody, and control and can be located after a reasonable search. Based on its search to date, Complainant has not identified any documents responsive to this

REASON TO COMPEL: For its defense and counterclaim, Respondent needs certain documentation or reports on HQD's investigation leading to some discovery of the cause of taking delivery of goods without original bills of lading or other shipping documents. This information may also reveal HQD's efforts, if any, in mitigating its alleged damages.

6. To the extent not encompassed in other requests herein, all documents that concern any attempts to obtain payment, the ultimate disposition and/or destruction of the Cargo referenced in the above requests.

HQD'S RESPONSE TO REQUEST NO. 6: Subject to and without waiving the foregoing general and specific objections, Complainant will produce relevant, responsive and non-privileged documents, to the extent any exist within its possession, custody, and control and can be located after a reasonable search. Based on its search to date, Complainant has not identified any documents responsive to this Request.

REASON TO COMPEL: For its defense and counterclaim, Respondent needs to find out if the Complainant engaged in any efforts in obtaining payment from its consignee SWAK Kids or others. This information may also reveal HQD's efforts, if any, in mitigating its alleged damages.

INTERROGATORIES

1. Identify all persons with knowledge concerning the Incident and the events referenced in the pleadings filed in the above-captioned actions.

HQD'S RESPONSE TO INTERROGATORY NO. 1: Subject to and without waiving the foregoing General and specific objections, Complainant responds as follows: Xingliang Qian has knowledge regarding the events referenced in the pleadings. Upon information and belief, Complainant also believes that Respondent's employees, including but not limited to an employee named "Yuen", have knowledge of the events.

REASON TO COMPEL: For its defense and counterclaim, Respondent needs certain the identities of persons with knowledge of what transpired between the Shipper, Ocean Carrier and the Consignee so that any fraudulent scheme maybe revealed - leading to some discovery of the cause of taking delivery of goods without original bills of lading or other shipping documents.

3. Identify all evidence that you will present at trial.

HQD'S RESPONSE TO INTERROGATORY NO. 3: Subject to and without waiving the foregoing General and specific objections, Complainant responds that information responsive to this interrogatory may be derived or ascertained from a review of Complainant's business records with substantially the same effort as would be incurred by Complainant, as

provided in Rule 502.205(d), 2nd Complainant refers Respondent to the documents produced in response to Respondent's First Request for Production of Documents.

REASON TO COMPEL: Request for the opponent's proffered evidence is routine in litigation. For its defense and counterclaim, Respondent needs to find out from HQD's side what kind of documentary proof and/or testimony it will rely on to prove its case.

4. State the name and address of any person who has made a statement regarding the subject matter of the above-captioned actions and provide a summary of the statement, or attach a copy, if written.

HQD'S RESPONSE TO INTERROGATORY NO. 4: Subject to and without waiving foe foregoing General and specific objections, Complainant states that it is not aware of any such statements as it understands this interrogatory.

REASON TO COMPEL: For its defense and counterclaim, Respondent needs certain documentation or reports on HQD's investigation leading to some discovery of the cause of taking delivery of goods without original bills of lading or other shipping documents.

6. At least thirty (30) days prior to the discovery cutoff date, state each contention that you will assert in support of the Complaint, and in defense to the counterclaims as well as in support of any affirmative defenses alleged in ____, and identify the specific evidence to be relied upon at trial to support each of the elements of the claim or the defense.

HQD'S OBJECTIONS AND RESPONSES TO INTERROGATORY NO. 6: Complainant incorporates by reference each of the Comments and General Objections stated above. By the express language of this interrogatory, no response is due at this time. Complainant reserves its right to object and respond to this Interrogatory at a later time.

REASON TO COMPEL: As a routine demand in discovery process, Respondent must disclose any and all evidence it will rely on to prove every element of its Complaint. Respondent needs such evidence to prepare its defense and to prove its counterclaim at trial.

CONCLUSION

Respondent submit that its first set of interrogatories and requests for production were properly seek “discovery regarding any nonprivileged matter that is relevant to any party’s claim or defense and proportional to the needs of [this] case” involving the taking delivery of the goods in question without original bill of lading or other proper title documents. See Fed. R. Civ. P. 26(b)(1). Therefore Respondent respectfully request this Honorable Court to grant this motion to compel due discovery from the Complainant.

RESPECTFULLY SUBMITTED April 6, 2018.
