Re: Docket No.: 17-02 Hangzhou Qianwang Dress Co., Ltd. v. RDD Freight
International Inc.

Dear Judge,

In response to the commissions new interpretation of the rules dated March 7, 2019, our view of RDD Freight International actions is they violated the new interpretation as well.

Their action of releasing our containers on 3 separate occasions indicates that RDD Freight International releases freight without original Bill of Ladings on a regular basis. Attached are the 3 containers of ours that were released 3 separate times in the month of September and October 2016. They were not released together as a group which would indicate 1 action. They were released separately, 3 separate times. Although we have no access to their books and records, there is nothing to indicate they have not done it for other clients past and present.

- see exhibit A for 947 cartons B/L no.: NBE16081082
- see exhibit B for 1095 cartons B/L no.: NBE16081477
- see exhibit C for 579 cartons B/L no.: NBE16091121

The fact that they released three of our shipments on different dates from different vessels without our knowledge should speak for itself.
