Subject: Required NVOCC tariff filings, NSA's, & NRA's
Date: Thursday, June 22, 2017 3:10:52 PM

Ladies & Gentlemen:

We are frequent users of NVOCC services, and as such, we are keenly aware of the current requirements for them to file every new rate. In the current fluid shipping environment, filing rates is gross waste of time and effort! We strongly support the elimination of all requirements for NOVCC's to file tariffs, NSA's, and NRA's.

Sincerely,

Lee Hardeman, President

IMPORTANT REMINDER: Please be reminded that importers are required to transmit accurate and complete ISF information to CBP at least 24 hours prior to the cargo being laden on the vessel. This means we must have the information at least 3 working days prior to vessel loading. CBP began full enforcement of ISF in June, 2016, and has issued liquidated damages against some ISF importers for ISF non-compliance. You should contact us immediately if you have any questions or uncertainty of the ISF requirements.
