My cruise was canceled by the cruise line (Princess) but I was required to use any Future cruise credit within the same year, but I wanted to take the same cruise one year later, which was not permitted. I opted for a full refund, but I am under the impression that the travel agent will keep \$100 of my \$400 deposit as a cancellation fee even though the Cruise was canceled by the Princess not me. I feel this is unfair. Please include travel agency cancellation fees in your new regulation.

Thanks

Brian Scott
