Subject: Docket No. 20-15, Comments on PVO Financial Responsibility Rulemaking
Date: Thursday, September 9, 2021 7:12:09 PM

Hello,

I saw an article on this topic and would like to submit comments. I had a cruise cancelled by Princess Cruise Line on August 25, 2021, that was due to sail on February 5, 2022. They offered a full refund, but nothing as yet. Their original email said that they would refund after a week. They owe me about \$4,000. If your law goes through, there will be a mechanism through which people like me can demand. Now we are at the mercy of the company.

Regards,

Violeta Talandis
