In August 20,2019; my wife and I booked a cruise in honor of our 50th wedding anniversary with Royal Caribbean Intl. for our children and grandchildren ID#'s 7360522 & 7360420 for sailing out of New Jersey on 09/06/2020. We paid a total of \$1,750 or \$250 per person with the balance of \$3,336.13 to be paid by 06/09/2020. On May 06,2020, I sent a certified letter to Royal Caribbean cancelling my cruise due to Covid Pandemic. On June23,2020,I received an e-mail from Royal Caribbean cancelling the cruise for either a cash refund or 125% future credit. I chose the refund but on August 4,2020, Royal Caribbean said we were only entitled to a future cruise credit at \$250 per person which includes a currently my 3 and 5 year old granddaughters and is limited to being used by Dec.31,2021.

I feel that cruising is not safe anymore due to the Covid-19. This is because Royal Caribbean , to my knowledge, has NOT changed any of its policies regarding passenger safety with the Covid-19. Instead they put the onus on the passengers themselves to prove that they are safe to come aboard. Therefore, If you can get my \$1,750 back, that would be wonderful, but at least put this e-mail as part of comments to be submitted by Oct. ,2021.

Thank You for your consideration
