To whom it may concern:

We've paid \$30,000 to travel on Glenn Becks cruise through history via CruiseBuilder using Costa Cruise Line:

March 23 - April 6 2020 rescheduled for

May 2021 then rescheduled for

October 2021 and now HAS BEEN CANCELLED WITH NO REFUND JUST TRAVEL CREDITS. How is this not THEFT?

I can't even get through to the company to use the credits.
