JOINT MOTION TO AMEND SCHEDULING ORDER

Pursuant to 46 CFR § 502.141(l) and 46 CFR § 502.71, the Complainant and Respondent (“the Parties”) submit this Joint Motion to Amend the Scheduling Order served on January 24, 2025.

The Scheduling Order called for the Parties to serve written discovery requests by March 30, 2025, and to complete written discovery by April 30, 2025. Respondents propounded written discovery to Complainant, and responses are not due until April 3, 2025.

Complainant seeks to file a motion to amend the complaint and possibly other relief based on new information contained in voluminous Emails produced by CMA (“CMA Emails”) on February 12th and 21st, 2025, pursuant to a subpoena requested by Complainant and issued by the Hon. Chief Presiding Officer on January 17, 2025. The full production of CMA Emails was provided to the Respondent’s counsel on March 24, 2025. Due to Respondent counsel’s deadlines with two appellate briefs due this week, and other matters, additional time is needed to review the CMA Emails. The parties understand that the already propounded written discovery was based on

documents and information prior to the CMA Emails, and therefore, the Parties agree to jointly seek modification of the discovery schedule to allow for the full review of CMA Emails to avoid any prejudice to the respective Parties in propounding and/or responding to their respective written discovery. Finally, the Parties will also endeavor to engage in settlement discussions during the extended period for discovery.

Counsel for the Parties have conferred in good faith and mutually agree to propose amending the Scheduling Order as it pertains to discovery as follows:

April 15, 2025	Disclosure of initial expert reports, if any
April 28, 2025	Deadline to serve initial written discovery requests
May 30, 2025	Disclosure of rebuttal expert reports, if any
May 30, 2025	Written discovery completed
May 30, 2025	Fact depositions completed
May 28, 2025	Complete expert depositions
June 6, 2025	Close of all discovery
July 8, 2025	Complainant's initial brief, proposed findings of fact, and appendix
August 7, 2025	Respondent's opposition brief, responses to proposed findings of fact, proposed findings of fact, and appendix
August 22, 2025	Complainant's reply and responses to proposed findings of fact

The motion does not seek an extension of other non-discovery deadlines in the current Scheduling Order and will not delay proceedings.

For the foregoing reasons, and for good cause shown, the Parties request that this Joint

Motion to Amend the Scheduling Order be granted.

Date: March 27, 2025
