SECOND JOINT MOTION FOR EXTENSION OF THE SCHEDULING ORDER

Pursuant to 46 CFR § 502.141(l) and 46 CFR § 502.71, the Complainant and Respondent (“the Parties”) submit this Second Joint Motion to Amend the Scheduling Order served on March 28, 2025.

The Amended Scheduling Order, among other things, called for the Parties to serve written discovery requests by April 28, 2025, complete written discovery by May 30, 2025, and complete fact deposition by May 30, 2025.

Since the Amended Scheduling Order, the parties have exchanged settlement offers, have amended initial disclosures, and discussed deposition of Respondent’s President on May 28, 2025, and Respondent has indicated its intent to depose Complainant, during on or about May 27, 2025. Although the parties intend to continue to engage in discovery, including but not limited to, deposition notices to fact witnesses, both parties desire to also focus on settlement-mediation discussions with the FMC’s CADRS office. To this end, the parties have reached out to CADRS to seek the earliest date possible date for a CADRS settlement-mediation session.

Complainant intends to file a motion to amend the complaint by the end of this week, or earlier, which motion Respondent indicated will not oppose as to timeliness but may oppose on other grounds. The Parties out of an abundance of caution, seek to again modify the Scheduling Order to allow for completion for discovery, while engaging in settlement discussions with CADRS' assistance, and accommodate the respective Parties' counsels' schedules and deadlines in other litigation matters

Counsel for the Parties has conferred in good faith and mutually agrees to propose amending the Scheduling Order as it pertains to discovery and non-discovery deadlines in the current Amended Scheduling Order, as follows:

May 22, 2025	Disclosure of initial expert reports, if any
April 22, 2025	Deadline to serve initial written discovery requests
June 12, 2025	Disclosure of rebuttal expert reports, if any
June 20, 2025	Written discovery completed
June 15, 2025	Fact depositions completed
June 15, 2025	Complete expert depositions
June 30, 2025	Close of all discovery
July 30, 2025	Complainant's initial brief, proposed findings of fact, and appendix
August 29, 2025	Respondent's opposition brief, responses to proposed findings of fact, proposed findings of fact, and appendix
September 16, 2025	Complainant's reply and responses to proposed findings of fact

For the foregoing reasons, and for good cause shown, the Parties request that this Joint

Motion to Amend the Scheduling Order be granted.

Date: May 13, 2025
