DOCKET NO. 17-05

CMI DISTRIBUTION, INC.

COMPLAINANT,

v.

SERVICE BY AIR, INC., RADIANT CUSTOMS SERVICES INC. (FORMERLY KNOWN
AS SBA CONSOLIDATORS, INC.) and LAS FREIGHT SYSTEM LTD.

RESPONDENTS.

AFFIDAVIT OF EDWARD A. ZASADA
IN SUPPORT OF MOTION TO DISMISS OF RESPONDENTS SERVICE BY AIR, INC.
AND RADIANT CUSTOMS SERVICES INC.

I, Edward A. Zasada, being first duly sworn upon oath, depose and say:

1. I am over the age of eighteen, have personal knowledge of the matters attested to herein, and am capable of testifying to them.
2. I am the regional manager of respondent Service by Air, Inc. ("SBA") and held that position at all times material.
3. At times material, SBA, located in Bensenville, Illinois, operated as an indirect air carrier. It was never licensed for, and has never participated in, ocean transportation.
4. At times material, SBA's wholly-owned subsidiary, SBA Consolidators, Inc., operated as a customs brokerage and warehouse operator, and held an FMC-issued ocean freight forwarder license.

5. In or about July 2015, Radiant Global Logistics, Inc. (“Radiant”) acquired SBA. Radiant was formed in 2010, and predates its acquisition of SBA Consolidators, Inc. SBA still exists as a separate corporate entity wholly owned by Radiant.

6. In or about early 2014, complainant CMI Distribution, Inc. (“CMI”) contacted SBA requesting that SBA arrange for importation from China into the U.S. of some 60 containers of plastic bags. CMI specifically requested ocean transportation, port-to-door service, and customs clearance.

7. SBA engaged China-based LAS Freight to arrange CMI’s ocean transports. In turn, LAS Freight engaged a series of China ocean transportation service providers which issued through bills of lading from China to SBA’s facility in Bensenville for the transports at issue. Copies of the bills of lading are attached as Exhibit 1.

8. The ocean transports landed in various west coast ports, and were transported by rail to inland destinations, mostly Chicago. SBA Consolidators, Inc. processed customs clearance, which is the only role it played in the entire series of transactions at issue.

9. SBA engaged motor carrier Freight Tech Cartage, Inc. (“Freight Tech”) to transport most of the cargo from the inland rail yards to Freight Tech’s yard in Naperville, Illinois, where it would await further delivery instructions. CMI’s China-based suppliers instructed LAS Freight, which in turn instructed SBA, not to release the cargo to CMI unless and until confirmation was received that CMI had paid the suppliers under the commercial invoices for complainant’s purchase of the cargo.

10. At various times between April 2014 and June 2015, SBA notified CMI that its cargo had arrived, and was ready for onward delivery from Freight Tech’s yard pending SBA’s receipt of confirmation from the China-based suppliers that complainant had paid the

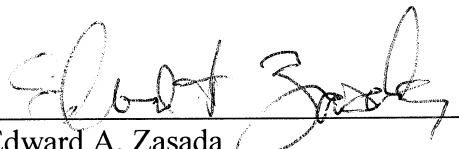

commercial invoices. However, CMI repetitiously advised SBA over an extended time period that CMI was experiencing cash-flow issues that prevented it from paying the suppliers.

11. SBA informed CMI numerous times that the "free days" Freight Tech allotted for storage had expired for specified containers, and that extensive "demurrage" charges were accruing. Indeed, SBA persistently urged CMI to retrieve its property to avoid the mounting charges, but CMI failed to do so.

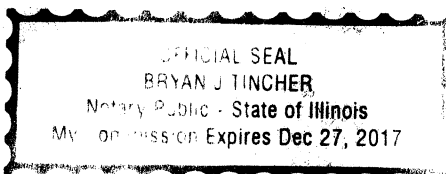

12. Freight Tech charged SBA, and SBA, on CMI behalf, paid Freight Tech, some 1,400 storage days between April 2014 and July 2015. When CMI had rectified its cash-flow issues, it agreed it owed, and fully paid, SBA the invoiced demurrage without complaint or objection.

13. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

EXECUTED at Benseville, Illinois this 22 day of June, 2017.

Edward A. Zasada

SUBSCRIBED AND SWORN to before me this 22 day of June, 2017.
