CMI DISTRIBUTION, INC.,
COMPLAINANT,

SERVICE BY AIR, INC., RADIANT CUSTOMS SERVICES INC. (FORMERLY KNOWN
AS SBA CONSOLIDATORS, INC.) and LAS FREIGHT SYSTEM LTD.

RESPONDENTS.

**CMI DISTRIBUTION'S RESPONSE TO PRESIDING JUDGE'S AUGUST 16, 2017
ORDER TO SUPPLEMENT THE RECORD**

CMI Distribution, Inc. ("CMI") hereby responds to the Presiding Judge's August 16, 2017 Order ("August 16 Order") to Supplement the Record.

The August 16 Order requires CMI to respond to the following:

1. The Complaint refers to "more than 60 shipments . . . from China to Illinois" (Complaint ¶ 6) on which Respondents allegedly operated as NVOCCs. Does CMI contend that all of the shipments were transported by water between a port in a foreign country and a point in the United States?
2. Prepare and file a list of the more than sixty shipments at issue and identify a port of discharge and the place of delivery for each shipment.
4. The Complaint alleges that Respondents were operating as NVOCCs on the shipments. (Complaint ¶ 8). The Shipping Act defines an NVOCC as a common carrier. 46 U.S.C. § 40102(22). The Act defines a common carrier as a person who "uses, for all or part of that transportation, a vessel operating on the high seas or the Great Lakes between a port in the United States and a port in a foreign country." 46 U.S.C. § 40102(6)(A)(iii). If some of the more than sixty shipments to which the complaint refers were not transported between a port in a foreign country and a port

in the United States, does the Commission have jurisdiction over those shipments? What is the basis for that jurisdiction?¹

CMI's Response

As reflected in CMI's Opposition to Service by Air, Inc. ("SBA") and Radiant Customs Services Inc.'s Motion to Dismiss, CMI is handicapped in responding to the August 16 Order because, although CMI repeatedly requested back up documentation and shipping records regarding the shipments at issue and the demurrage sought from SBA and SBA Consolidators, Inc., such documentation frequently was not provided. *See* Declaration of Maria T. Vega at ¶ 8 in support of Opposition to Motion to Dismiss. Further, to the extent documents were provided, they were often knowingly false. *Id* at ¶ 10 (although SBA and/or SBA Global Logistics Services issued invoices for Air Freight charges, the supporting documentation that CMI was able to obtain reflected that the goods actually moved by ocean). Nonetheless, CMI submits the shipping documents it has in its possession regarding the shipments at issue.

Ocean Bills of Lading

The 60 shipments at issue are reflected in Exhibit 1.² CMI has ocean bills of lading for 21 of those shipments. *See* spreadsheet attached as Exhibit 2, and supporting bills of lading. All of these bills of lading reflect that the Place of Loading was either Qingdao, China or Shanghai, China. The Port of Discharge for 15 of the bills of lading was Long Beach, California. On two of the bills of lading, the Port of Discharge was New York. Four bills of lading show Ports of Discharge as either Vancouver, Canada or Prince Rupert, Canada. The final destination of these bills of lading are set forth in Exhibit 2. All of these 21 shipments were destined for inland locations in the United States.

¹ The August 16 Order did not have a paragraph 3.

² Exhibit 1 was attached to CMI's Complaint.

In Support of its Motion to Dismiss, SBA attached 27 bills of lading to the Affidavit of Edward Zasada. Eight (8) of those bills of lading appear to relate to the shipments at issue for which CMI has no bills of lading. Of those eight, all show Ports of Loading as either Qingdao or Shanghai. Exhibit 3. Six (6) of the Ports of Discharge are in the United States with: 1) three Ports of Discharge in Los Angeles, Exh. 1, Line 6 (N770461), Line 7 (N770506), and Line 11 (N770520); 2) two Ports of Discharge in Long Beach, Line 10 (N770552) and Line 42 (B771584); and 3) one Port of Discharge in Seattle, Line 8 (N7705190). Two of the bills of lading show the Port of Discharge as Vancouver, Canada Line 4 (N770021), and Line 12 (N770614).

Three of the bills of lading attached to Mr. Zasada's affidavit, N771570, N771571, and N771724 do not appear to relate to the shipments at issue.³ The remaining bills of lading previously submitted with his affidavit are master bills of lading issued by the vessel-operating common carriers, which correspond to the house bills of lading issued by the NVOCC, Las Freight System Ltd., referenced in Exhibit 2. Those master bills of lading and house bills of lading show the same ports of discharge referenced above in Exhibit 2.

SBA Bills of Lading

SBA also issued bills of lading for some of the shipments to CMI. Exhibit 4. Although the SBA bills of lading are designated as "Air Waybills,"⁴ CMI does not believe that any of the containers at issue actually moved by air.⁵ For example, although SBA issued a bill of lading that corresponds with the shipment referenced in Line No. 9 on Exhibit 1 (Freight No. N770553)

³ Two of those three, N 771570 and N771571, showed the Port of Discharge as Vancouver.

⁴ By issuing bills of lading accepting goods for transportation, which SBA knew would move by ocean, SBA was acting as an NVOCC.

⁵ On at least one occasion when CMI pointed out that it was incorrectly invoiced for Air Freight, SBA acknowledged that the invoice was actually for demurrage. See Exh. 5. Further, although an ocean bill of lading was issued by Las Freight for the movement of Container No. TCKU 1771451, SBA's invoice to CMI included \$5,400 for Air Freight. (The ocean bill of lading and SBA invoice, which correspond to Line No. 21 on Exhibit 2, are included in the supporting documents in Exhibit 2.)

purporting to show that the cargo moved by air, it also issued an invoice for this shipment to CMI for ocean freight, import duty/tax and detention in the amount of \$7,119.28. See Exh. 4, Tab 9.⁶

Similarly, SBA issued a bill of lading for the shipment referenced in Line No. 11 on Exhibit 1 (Freight No. N770520), purporting to show that the cargo moved by air to O'Hare International Airport. It issued an invoice to CMI for this shipment, however, for ocean freight in the amount of \$5,385. See Exh. 4, Tab 11.

Although SBA issued a bill of lading for the shipment referenced in Line No. 12 on Exhibit 1 (Freight No. N770614), purporting to show that the cargo moved by air to O'Hare International Airport, it issued an invoice to CMI for this shipment for ocean freight, import duty/tax and detention, in the amount of \$7450.45. Exh. 4, Tab 12.

Although SBA issued a bill of lading for the shipment referenced in Line No. 13 on Exhibit 1 (Freight No. N770647), purporting to show that the cargo moved by air to O'Hare International Airport, an ocean bill of lading shows that the container moved by sea through the Port of Long Beach. Exh. 4, Tab 13; Exh. 2, Tab 13.

SBA issued a bill of lading for the shipment referenced in Line No. 20 on Exhibit 1 (Freight No. N770888) purporting to show that the cargo moved by air to O'Hare International Airport. SBA also, however, issued an invoice for this shipment to CMI for ocean freight, import duty/tax and container demurrage in the amount of \$5,703.75. See Exh. 4, Tab 20.⁷

⁶ CMI apologizes for the quality of the airway bills and the fact that they are difficult to read but those are the only records in its possession.

⁷ SBA also issued an airway bill that corresponds with Line No. 17 on Exhibit 1 (N770915). See Exh. 4, Tab 17. Although the goods purportedly moved by air to Phoenix, CMI is not aware of any reason that SBA would have shipped plastic bags by air rather than ocean given the cost differential involved, particularly given that SBA itself admits that CMI contracted with SBA to import 60 containers from China in the U.S. by "ocean transportation, port to door service . . ." Affidavit of Edward Zasada at ¶ 6.

The fact that the goods moved by ocean, rather than by air, is further evidenced by the container numbers referenced on the bills of lading. *See* Exh. 2. The first 4 letters in each container number designates the party that owns the container. Thus, for example, the code KKFU reflects that the steamship line K-Line owns the container. Similarly, the code MSCU reflects that Mediterranean Shipping Co. owns the containers. *See* BIC Codes (<http://www.bic-code.org/bic-codes/>). Containers moving by air have a different labeling system. As reflected on Exhibits 2, 3 and 4, all of the containers at issue moved by ocean line.

SBA's Inaccurate Representations

SBA's representations to CMI and, indeed, its representations to the FMC, are riddled with inconsistencies and outright inaccuracies. Thus, in the original affidavit of Edward Zasada, SBA's regional manager, Mr. Zasada stated that SBA *never participated in ocean transportation*,⁸ despite his own admission that CMI contracted with Service by Air for the importation by ocean transportation of 60 containers of goods from China into the United States. *Id.* at ¶¶ 3, 6. His sworn statement is also belied by documents submitted by CMI in its Opposition to the Motion to Dismiss reflecting that SBA and SBA Global Logistics issued invoices in which they sought payment from CMI for "Ocean Freight," "Container Demurrage" and "Detention." *See* sample invoices attached as Exhibit 2 to Vega Dec. in Opposition to Motion to Dismiss. In addition, SBA contracted with Las Freight System Ltd., which issued bills of lading for the transportation at issue. *See* Las Freight bills of lading attached hereto as Exhibit 2.

Perhaps most astounding, however, is Mr. Zasada's statement in his Second Affidavit in support of SBA's motion to dismiss in which he swears under oath that SBA made no

⁸ *Id.* at ¶ 4.

representation to CMI that any of the demurrage it was collecting was originally charged by a steamship line (and instead that all of the charges were levied by surface transportation providers). *Id.* at ¶¶ 9, 10. The contemporaneous documentation reflects that this statement is not only untrue, it is knowingly untrue because it was Mr. Zasada himself who told CMI that the demurrage at issue was being sought by steamship lines. On June 23, 2015, Mr. Zasada wrote to CMI stating that “SBA had to pay the demurrage to date on all 3 containers because the steamship line was going to confiscate and put a lien on them. Before anything can be done with these containers CMI will need to pay the demurrage to date on all 3 containers and the demurrage on the 2 containers delivered last week.” Exhibit 6. Approximately one week later, Mr. Zasada again wrote to CMI stating that an SBA employee “pleaded with the various steamship lines for any help with the charges and he had some success. Many steamship companies were un-willing to discount their fees however and complained weekly that their containers were being held.” Exh. 7.

Similarly, on July 7, 2015, CMI wrote to SBA, including to Mr. Zasada, inquiring how \$18,900 in demurrage could have accrued in only 12 days. Another SBA employee, Bryan Tincher, responded on the same day, in an email on which Mr. Zasada was copied, stating that CMI needed to pay \$65,650 for past invoices and \$18,900 for demurrage. “This cannot be negotiated. We already paid the SS [Steamship Line.]” Exh. 8. Mr. Tincher further stated that the “SS Line will not accept any more delays. They want their containers back. I have been fighting them for weeks and it has now come to an ultimatum. They will take possession of their containers and this will become a major problem.” *Id.*; see also Exh. 9 (Bryan Tincher informs CMI that container is in demurrage and the “SS Line is giving me difficult time.”).

An example of the confusing and misleading information provided by SBA to CMI regarding demurrage may be found in a series of emails from Mr. Zasada to Maria Vega of CMI. On May 27, 2015, in response to Ms. Vega's request, Mr. Zasada sent an email stating the number of days that demurrage had been accruing on a number of CMI containers. Exh. 10. Mr. Zasada represented that Container No. MSCU 4337608 (B771910) had been accruing demurrage for 14 days. Six days later, in an email of June 2, 2015, Mr. Zasada, with no explanation whatsoever, increased the demurrage on the same container from 14 days to 63 days. *Id.* Thus, demurrage was increased by 49 days during a six day window. Similarly, Mr. Zasada fails to explain the basis for his decision to dramatically increase the days of demurrage for the remainder of the containers. *See, e.g.*, Container No. PCIU 859221 (B851991) (increasing days of demurrage 21 days – from 35 to 56 days, during a 6 day period).

In light of SBA's repeated knowing misrepresentations, CMI submits that any statements and documentation from SBA regarding whether goods entered the United States via a U.S. port must be viewed skeptically.

To the extent that definitive proof is provided that some of the containers were not transported between a port in a foreign country and a port in the United States, CMI does not contend that the Commission has jurisdiction over those shipments.

Ed,

On the invoice # B771383 under description you have AIR FREIGHT , this shouldn't be air freight if this is demurrage, which we think it is.

Please confirm to us, if it was just a mistake and what this cost corresponded to.

Thanks.

Good afternoon Maria,

Bryan told me you're hoping to return the 2 highlighted containers below to China, when you can let us know if the vendor will allow that and who will pay for the return. I understand he also advised you SBA had to pay the demurrage to date on all 3 containers because the steamship line was going to confiscate and put a lien on them. Before anything can be done with these containers CMI will need to pay the demurrage to date on all 3 containers and the demurrage on the 2 containers delivered last week. Please advise your payment schedule.

Thanks,

Ed

Maria,

Attached is a spreadsheet showing containers where we were able to save CMI money on the demurrage. Bryan pleaded with the various steamship lines for any help with the charges and he had some success. Many steamship companies were un-willing to discount their fees however and complained weekly that their containers were being held. Bryan had to write several letters explaining why the containers hadn't been unloaded and SBA had to make pre-payments on the demurrage in some cases to keep them from being seized. Please let us know as soon as the final 3 containers have been released so we can get them delivered.

Thanks,

Ed/SBA

Good morning Maria,

After today I'll be out of town for a few weeks and not always reachable, can you provide payment schedule and status of the 2 returns?

We paid demurrage up to June 18 and this is what you are billed for.
From this date to 9 July is 21 days at \$300 per day x 3 containers
The amount I am billing today \$18,900.00. So we need \$86,550.00 paid before anything is delivered. This is
\$65,650 you owed for past invoices and \$18,900 we outlaid this week for demurrage the dates above.
This cannot be negotiated. We already paid the SS Line.
If we can resolve by Thursday, there will be additional cost because I will have to unload the containers and
warehouse the product at my terminal in Las Vegas. The SS Line will not accept any more delays. They want
their containers back. I have been fighting them for weeks and it has now come to an ultimatum. They will take
possession of the containers and the contents and this will become a major problem.

OK were you able to talk to ED about his last email and the additional 18,900 amount that
you say is added to his amount, we still don't understand how that could be if there were
only 12 days from the date of his last email to me, how is that possible.

Can you get back to me on this. I would like to pay those last 2 delivery demurrage he mentioned in his email and pay this container. We are so close to the end can you please find out with Ed the correct amount.

Maria

I need the containers emptied by Thursday or the SS Line will take action.
If it comes to it, I will have to have them emptied and warehoused in Las Vegas until payment is straightened out.

Note this will incur additional charges.
Have you paid the factory KKFU1167644? When can we expect the telex release.

Good afternoon Maria,

Bryan told me you're hoping to return the 2 highlighted containers below to China, when you can let us know if the vendor will allow that and who will pay for the return. I understand he also advised you SBA had to pay the demurrage to date on all 3 containers because the steamship line was going to confiscate and put a lien on them. Before anything can be done with these containers CMI will need to pay the demurrage to date on all 3 containers and the demurrage on the 2 containers delivered last week. Please advise your payment schedule.

Thanks,

Ed

Good afternoon Ed, (See below email)

I am just a little confused about the invoices we just paid, they did not appear on the schedule of info you sent me last week regarding outstanding demurrage invoices requested.

Can I get a complete listing of containers and demurrage invoice amounts as of today. I need to see what invoices are still pending and what containers are still held and on what number of days demurrage is accruing at what rate.

Thanks

TERMS & CONDITIONS OF SERVICE

These terms and conditions of service constitute a legally binding contract between the "Company" and the "Customer". In the event the Company renders services and issues a document containing Terms and Conditions governing such services, the Terms and Conditions set forth in such other document(s) shall govern those services.

1. Definitions.

- (a) "Company" shall mean SW LOGISTICS INC. its subsidiaries, related companies, agents and/or representatives;
- (b) "Customer" shall mean the person for which the Company is rendering service, as well as its agents and/or representatives, including, but not limited to, shippers, importers, exporters, carriers, secured parties, warehousemen, buyers and/or sellers, shipper's agents, insurers and underwriters, break-bulk agents, consignees, etc. It is the responsibility of the Customer to provide notice and copy(s) of these terms and conditions of service to all such agents or representatives;
- (c) "Documentation" shall mean all information received directly or indirectly from Customer, whether in paper or electronic form;
- (d) "Ocean Transportation Intermediaries" ("OTI") shall include an "ocean freight forwarder" and a "non-vessel operating carrier";
- (e) "Third parties" shall include, but not be limited to, the following: "carriers, truckmen, cartmen, lightermen, forwarders, OTIs, customs brokers, agents, warehousemen and others to which the goods are entrusted for transportation, cartage, handling and/or delivery and/or storage or otherwise".

2. Company as agent. The Company acts as the "agent" of the Customer for the purpose of performing duties in connection with the entry and release of goods, post entry services, the securing of export licenses, the filing of export documentation on behalf of the Customer and other dealings with Government Agencies: as to all other services, Company acts as an independent contractor.

3. Limitation of Actions.

(a) Unless subject to a specific statute or international convention, all claims against the Company for a potential or actual loss, must be made in writing and received by the Company, within 90 days of the event giving rise to claim; the failure to give the Company timely notice shall be a complete defense to any suit or action commenced by Customer.

(b) All suits against Company must be filed and properly served on Company as follows:

- (i) For claims arising out of ocean transportation, within 1 year from the date of the loss;
- (ii) For claims arising out of air transportation, within 2 years from the date of the loss;
- (iii) For claims arising out of the preparation and/or submission of an import entry(s), within 75 days from the date of liquidation of the entry(s);
- (iv) For any and all other claims of any other type, within 2 years from the date of the loss or damage.

4. No Liability For The Selection or Services of Third Parties and/or Routes. Unless services are performed by persons or firms engaged pursuant to express written instructions from the Customer, Company shall use reasonable care in its selection of third parties, or in selecting the means, route and procedure to be followed in the handling, transportation, clearance and delivery of the shipment; advice by the Company that a particular person or firm has been selected to render services with respect to the goods, shall not be construed to mean that the Company warrants or represents that such person or firm will render such services nor does Company assume responsibility or liability for any actions(s) and/or inaction(s) of such third parties and/or its agents, and shall not be liable for any delay or loss of any kind, which occurs while a shipment is in the custody or control of a third party or the agent of a third party; all claims in connection with the Act of a third party shall be brought solely against such party and/or its agents; in connection with any such claim, the Company shall reasonably cooperate with the Customer, which shall be liable for any charges or costs incurred by the Company.

5. Quotations Not Binding. Quotations as to fees, rates of duty, freight charges, insurance premiums or other charges given by the Company to the Customer are for informational purposes only and are subject to change without notice; no quotation shall be binding upon the Company unless the Company in writing agrees to undertake the handling or transportation of the shipment at a specific rate or amount set forth in the quotation and payment arrangements are agreed to between the Company and the Customer.

6. Reliance On Information Furnished.

(a) Customer acknowledges that it is required to review all documents and declarations prepared and/or filed with the Customs Service, other Government Agency and/or third parties, and will immediately advise the Company of any errors, discrepancies, incorrect statements, or omissions on any declaration filed on Customer's behalf;

(b) In preparing and submitting customs entries, export declarations, applications, documentation and/or export data to the United States and/or a third party, the Company relies on the correctness of all documentation, whether in written or electronic format, and all information furnished by Customer; Customer shall use reasonable care to ensure the correctness of all such information and shall indemnify and hold the Company harmless from any and all claims asserted and/or liability or losses suffered by reason of the Customer's failure to disclose information or any incorrect or false statement by the Customer upon which the Company reasonably relied. The Customer agrees that the Customer has an affirmative non-delegable duty to disclose any and all information required to import, export or enter the goods.

7. Declaring Higher Value To Third Parties. Third parties to whom the goods are entrusted may limit liability for loss or damage; the Company will request excess valuation coverage only upon specific written instructions from the Customer, which must agree to pay any charges therefor; in the absence of written instructions or the refusal of the third party to agree to a higher declared value, at Company's discretion, the goods may be tendered to the third party, subject to the terms of the third party's limitations of liability and/or terms and conditions of service.

8. Insurance. Unless requested to do so in writing and confirmed to Customer in writing, Company is under no obligation to procure insurance on Customer's behalf; in all cases, Customer shall pay all premiums and costs in connection with procuring requested insurance.

9. Disclaimers; Limitation of Liability.

(a) Except as specifically set forth herein, Company makes no express or implied warranties in connection with its services;

(b) Subject to (c) below, Customer agrees that in connection with any and all services performed by the Company, the Company shall only be liable for its negligent acts, which are the direct and proximate cause of any injury to Customer, including loss or damage to Customer's goods, and the Company shall in no event be liable for the acts of third parties;

(c) In connection with all services performed by the Company, Customer may obtain additional liability coverage, up to the actual or declared value of the shipment or transaction, by requesting such coverage and agreeing to make payment therefor, which request must be confirmed in writing by the Company prior to rendering services for the covered transaction(s).

(d) In the absence of additional coverage under (b) above, the Company's liability shall be limited to the following:

- (i) where the claim arises from activities other than those relating to customs brokerage, \$50 per shipment or transaction, or
- (ii) where the claim arises from activities relating to "Customs business," \$50 per entry or the amount of brokerage fees paid to Company for the entry, whichever is less;
- (iii) In no event shall Company be liable or responsible for consequential, indirect, incidental, statutory or punitive damages even if it has been put on notice of the possibility of such damages.

10. Advancing Money. All charges must be paid by Customer in advance unless the Company agrees in writing to extend credit to customer; the granting of credit to a Customer in connection with a particular transaction shall not be considered a waiver of this provision by the Company.

11. Indemnification/Hold Harmless. The Customer agrees to indemnify, defend, and hold the Company harmless from any claims and/or liability arising from the importation or exportation of customers merchandise and/or any conduct of the Customer, which violates any Federal, State and/or other laws, and further agrees to indemnify and hold the Company harmless against any and all liability, loss, damages, costs, claims and/or expenses, including but not limited to reasonable attorney's fees, which the Company may hereafter incur, suffer or be required to pay by reason of such claims; in the event that any claim, suit or proceeding is brought against the Company, it shall give notice in writing to the Customer by mail at its address on file with the Company.

12. C.O.D. or Cash Collect Shipments. Company shall use reasonable care regarding written instructions relating to "Cash/Collect" or "Deliver (C.O.D.)" shipments, bank drafts, cashier's and/or certified checks, letter(s) of credit and other similar payment documents and/or instructions regarding collection of monies but shall have no liability if the bank or consignee refuses to pay for the shipment.

13. Costs of Collection. In any dispute involving monies owed to Company, the Company shall be entitled to all costs of collection, including reasonable attorney's fees and interest at 15% per annum or the highest rate allowed by law, whichever is less, unless a lower amount is agreed to by Company.

14. General Lien and Right To Sell Customer's Property.

(a) Company shall have a general and continuing lien on any and all property of Customer coming into Company's actual or constructive possession or control for monies owed to Company with regard to the shipment on which the lien is claimed, a prior shipment(s) and/or both;

(b) Company shall provide written notice to Customer of its intent to exercise such lien, the exact amount of monies due and owing, as well as any on-going storage or other charges; Customer shall notify all parties having an interest in its shipment(s) of Company's rights and/or the exercise of such lien.

(c) Unless, within thirty days of receiving notice of lien, Customer posts cash or letter of credit at sight, or, if the amount due is in dispute, an acceptable bond equal to 110% of the value of the total amount due, in favor of Company, guaranteeing payment of the monies owed, plus all storage charges accrued or to be accrued, Company shall have the right to sell such shipment(s) at public or private sale or auction and any net proceeds remaining thereafter shall be refunded to Customer.

15. No Duty To Maintain Records For Customer. Customer acknowledges that pursuant to Sections 508 and 509 of the Tariff Act, as amended, (19 USC §1508 and 1509) it has the duty and is solely liable for maintaining all records required under the Customs and/or other Laws and Regulations of the United States; unless otherwise agreed to in writing, the Company shall only keep such records that it is required to maintain by Statute(s) and/or Regulation(s), but not act as a "record keeper" or "recordkeeping agent" for Customer.

16. Obtaining Binding Rulings, Filing Protests, etc. Unless requested by Customer in writing and agreed to by Company in writing, Company shall be under no obligation to undertake any pre- or post Customs release action, including, but not limited to, obtaining binding rulings, advising of liquidations, filing of petition(s) and/or protests, etc.

17. Preparation and Issuance of Bills of Lading. Where Company prepares and/or issues a bill of lading, Company shall be under no obligation to specify thereon the number of pieces, packages and/or cartons, etc., unless specifically requested to do so in writing by Customer or its agent and Customer agrees to pay for same, Company shall rely upon and use the cargo weight supplied by Customer.

18. No Modification or Amendment Unless Written. These terms and conditions of service may only be modified, altered or amended in writing signed by both Customer and Company; any attempt to unilaterally modify, alter or amend same shall be null and void.

19. Compensation of Company. The compensation of the Company for its services shall be included with and in addition to the rates and charges of all carriers and other agencies selected by the Company to transport and deal with the goods and such compensation shall be exclusive of any brokerage, commissions, dividends, or other revenue received by the Company from carriers, insurers and others in connection with the shipment. On ocean exports, upon request, the Company shall provide a detailed breakdown of the components of all charges assessed and a true copy of each pertinent document relating to these charges. In any referral for collection or action against the Customer for monies due the Company, upon recovery by the Company, the Customer shall pay the expenses of collection and/or litigation, including a reasonable attorney fee.

20. Severability. In the event any Paragraph(s) and/or portion(s) hereof is found to be invalid and/or unenforceable, then in such event the remainder hereof shall remain in full force and effect.

21. Governing Law; Consent to Jurisdiction and Venue. These terms and conditions of service and the relationship of the parties shall be construed according to the laws of the State of California without giving consideration to principles of conflict of law. Customer and Company (a) irrevocably consent to the jurisdiction of the United States District Court and the State courts of California; (b) agree that any action relating to the services performed by Company, shall only be brought in said courts; (c) consent to the exercise of in personam jurisdiction by said courts over it, and (d) further agree that any action to enforce a judgment may be instituted in any jurisdiction.

22. Notice to client of method of payment. If you are the importer of record, payment to the broker will not relieve you of liability for customs charges (duties, taxes, or other debts owed CBP) in the event the charges are not paid by the broker. Therefore, if you pay by check, customs charges may be paid with a separate check payable to the "U.S. Customs and Border Protection" which will be delivered to CBP by the broker.
