

FEDERAL MARITIME COMMISSION

DOCKET NO. 21-17

**OCEAN NETWORK EXPRESS PTE. LTD. and OCEAN NETWORK EXPRESS
(NORTH AMERICA) INC. –
POSSIBLE VIOLATIONS OF 46 U.S.C. § 41102(c)**

JOINT MOTION TO REVISE ORIGINAL SCHEDULE

Respondent Ocean Network Express, PTE. LTD. (“ONE”), Respondent Ocean Network Express (North America), Inc. (“ONE NA”), and the Commission’s Bureau of Enforcement (“BOE”) respectfully request the deadlines for discovery and briefing in this matter be extended by thirty (30) days. The purpose of the Joint Motion is to allow the parties sufficient time to develop a complete record.

The expedited nature of the proceeding required an initial decision be issued within six months of the Commission’s order (December 30, 2021); however, extensive pretrial motion practice, comprising 32 days, has compressed the time available such that adherence to the original schedule would preclude the development of a complete and comprehensive record. Similarly, the parties recognize that communication between Respondents’ counsel and their clients cannot be instantaneous.

The parties acknowledge the Presiding Officer has limited flexibility to extend deadlines and may need the permission of the Commission to grant this request. In the meantime, the parties are submitting their respective Status Reports and proposed

schedules for the Presiding Officer's consideration.

DATED: March 4, 2022

Respectfully submitted,

Theron R Korsak
