ORDER GRANTING JOINT MOTION FOR CONTINUANCE

On June 10, 2022, the parties filed a joint motion for continuance, requesting a seven-day continuance of all dates in the schedule to finalize settlement discussions. Motion at 1. The parties state that they “have engaged in continuing settlement discussions” and “believe that they are close to reaching a final agreement on the terms of such settlement.” Motion at 1. The parties request the continuance “in the interest of judicial economy, to preserve the time and resources of the Parties and in order to further facilitate settlement.” Motion at 1-2.

Good cause having been stated, it is hereby **ORDERED** that the joint motion seeking an extension of time be **GRANTED**. If a settlement is reached, it must be submitted for approval. Although settlement is encouraged, given the expedited nature of this proceeding, the parties should be prepared to meet the following deadlines. Accordingly, the schedule is hereby modified as follows:

June 24, 2022 BOE and Respondents file initial brief, findings of fact, and appendix;

July 15, 2022 BOE and Respondents file opposition briefs and responses to findings of fact.
