DOCKET NO. 04-07

TRANS-NET, INC.

v.

FESCO OCEAN MANAGEMENT LIMITED

REQUEST FOR BRIEF EXTENSION OF TIME GRANTED

Counsel for complainant has requested a five-day extension of time from September 22, 2004, until September 27, 2004, to file complainant's reply to respondent's Limited Motion to Dismiss and Motion for Summary Judgment. Counsel advises that counsel for respondent does not object to the request, although reluctantly.

This brief extension of time follows an earlier extension and, I am advised, is requested, among other reasons, to permit counsel for complainant to work on an urgent matter in another Commission proceeding dealing with possible settlement in that proceeding. As I indicated in my

previous ruling, the subject Motion is thorough and involved and counsel for complainant ought to be given such time as would be necessary to prepare a similarly thorough reply. Accordingly, the request is granted.
