FEDERAL MARITIME COMMISSION

WASHINGTON, D. C.

February 22, 2005

DOCKET NO. 04-07

TRANS-NET, INC.

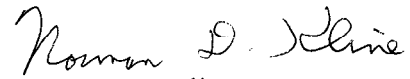

v.

FESCO OCEAN MANAGEMENT LIMITED

**FURTHER EXTENSION OF TIME TO PERMIT PARTIES
TO CONCLUDE SETTLEMENT DISCUSSIONS GRANTED**

I am advised by counsel that the parties are actively engaged in seeking to formulate a settlement agreement but that because of the complexity of their dispute they have not yet reached settlement. I am aware that the parties have been negotiating for several months now and have been granted extensions of time previously. However, I recognize that there are many problems that they are seeking to overcome and that the benefits of any settlement for the parties and the Commission in terms of cost savings and resolution of their dispute without the usual expensive and time-consuming course of formal litigation is well worth the additional time requested.

As requested, I am therefore extending the time for the parties to report on the status of their discussions to March 15, 2005.
