

**BEFORE THE
FEDERAL MARITIME COMMISSION**

DOCKET NO. 23-11

**BAL CONTAINER LINE CO., LIMITED,
Complainant,**

v.

**SSA MARINE TERMINAL and
SSA TERMINALS (PIER A), LLC
Respondents.**

JOINT STATUS REPORT

Counsel for the parties named above submit this joint status report to inform the Presiding Officer of an agreement reached by the parties with respect to a potential procedural issue.

The original complaint in this proceeding was served on October 19, 2023. By order dated November 13, 2023, the deadline for the filing of Respondents' answer was extended to December 13, 2023.

On December 7, 2023, Complainant filed a motion for leave to file an amended complaint. It appears unlikely that the Presiding Officer will rule on the motion for leave prior to the deadline for the filing of Respondents' answer to the original complaint.

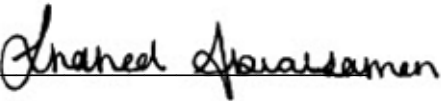

The parties have consulted and agree that Respondents' should not be required to file an answer to the original complaint while the motion for leave to file the amended complaint is pending. Accordingly, the parties have agreed that should the motion for leave to file the amended complaint be granted, Respondents will file an answer to the amended complaint within the time provided under the Commission's regulations. They have further agreed that in the event the motion for leave to file the amended complaint is denied, Respondents will file an answer to the original complaint within ten (10) days of the denial of the motion.

Respectfully submitted,

KEESAL, YOUNG & LOGAN
