MEMORANDUM OF FACTS

3. On April 13, 2023, Claimant entered a contract with Respondent to ship for Claimant 4 vehicles from Savannah, Georgia to Al Khums, Libya (*See*, Claimant's email to Respondent, attached as Exhibit A).
4. Respondent sent a booking confirmation to Claimant via an email on April 17, 2023 (*See*, Respondent's email and the booking confirmation as Exhibit B).
5. Accordingly, Claimant sent the booking to the warehouse to start the process of load the container under the booking number that Respondent provided. (*See*, the booking confirmation number NAM6206412 as Exhibit B).
6. On April 20, 2023, the loader company prepared and loaded the container, subsequently providing the Respondent with the dock receipt of the booking (refer to Exhibit C for the dock receipt).
7. By April 24, 2023, the said container had been successfully loaded onto the vessel.
8. However, complications arose on May 11, 2023, when CMA CGM reached out to the Respondent, highlighting a misdeclaration in the shipping instructions for the cargo (*see*, CMS CGM's email to Respondent as Exhibit D).
9. Respondent alleged replying to the email that the warehouse made the mistake. (*See*, CMA CGM's email to Respondent as Exhibit D).
10. While a careful review of the dock receipt shows that the mistake came from Respondent. The dock receipt shows that the vehicle is a 2005 Toyota Tundra, but, Respondent reported on the shipping instruction that the vehicle is a 2017 Toyota 4Runner. (*See*, the dock receipt as Exhibit C).

11. In light of the misdeclaration, CMA CGM resolved to redirect the container back to Savannah, Georgia, imposing a penalty of \$2,000.00 on the Respondent for the oversight (see, CMA CGM's email to Respondent as **Exhibit D**).
12. The Respondent acquiesced to CMA CGM's decision without contest and acknowledged the container's return.
13. Respondent requested the payment for the basic freight from Claimant and Claimant paid Respondent on May 9, 2023. The total payment was \$3,300.00. (See, the invoices and the payment via check deposit as **Exhibit E**).
14. Upon receiving the Bill of Lading from CMA CGM, the Claimant discovered that the Respondent had inaccurately declared the cargo description. (See, CMA CGM's bill of lading to Respondent as **Exhibit F**).
15. On May 31, 2023, CMA CGM issued an invoice for the container's return and forwarded it to the Respondent. However, the Claimant was only made aware of this invoice on July 6, 2023, through a text message from the Respondent (See, the invoice and the text as **Exhibit G**).
16. Despite being in the know since May 31, 2023, the Respondent took no proactive measures to expedite the return process.
17. To settle the aforementioned invoice, the Claimant remitted a total of \$4,310.00 to the Respondent via Zelle, distributed over four installments on July 18 and 19, 2023. (See, the Zelle payments as **Exhibit H**).
18. Subsequent to these transactions, the Respondent ceased all actions pertaining to the shipment. Notwithstanding the fact that the container had been redirected to Savannah,

the Respondent failed to duly file a declaration of the returned container with the U.S. Customs and Border Protection.

19. The Claimant reached out to the Respondent through text communication, seeking updates on the status of the container's return and subsequent release. Regrettably, once the fees were secured, the Respondent's sole response was to relay emails to the Claimant, originating from both CMA CGM and the U.S. Customs and Border Protection.
20. Despite possessing limited expertise in the matter, the Claimant made concerted efforts to rectify the situation and secure the release of the container. Regrettably, due to the Respondent's failure to timely file the declaration for the returned container, it was processed upon its re-entry into the United States as a new shipment. To the Claimant's astonishment, it was only upon receiving an email from CMA CGM on September 22, 2023, that they became aware of the Respondent's neglect in settling the misdeclaration fees. It should be noted that the original invoice, addressing this charge, had been dispatched to the Respondent by CMA CGM as early as May 16, 2023. (See, the invoice as **Exhibit I**).
21. Claimant paid CMA CGM directly the invoice for the misconduct. (See, the payment to CMA CGM by Claimant as **Exhibit J**).
22. Upon the container's arrival in Savannah, the Respondent negligently failed to execute the necessary declaration procedures. As a consequence, the Customs and Border Protection processed the container as a standard inbound shipment from Europe, given the Respondent's omission to classify it as a 'returned container'. While the Claimant proactively intervened by providing the vehicle titles to the Customs and Border

Protection and endeavoring to denote the container's return status, the remedial efforts were regrettably belated.

23. Subsequent to the completion of the inspection, an invoice amounting to \$2,306.00 was levied. The Claimant duly remitted this amount to CMA CGM on September 25, 2023, as substantiated by the invoice and payment confirmation attached hereto as **Exhibit K**. In addition to this, the payment reflected in **Exhibit K** encompasses an outstanding balance of \$310.52, which was expressly demanded by CMA CGM, as evidenced by the correspondence referenced in **Exhibit K**.
24. Upon settling the inspection fees on September 25, 2023, the Claimant promptly communicated with CMA CGM via email, inquiring if any further actions or payments were outstanding.
25. In response, CMA CGM provided an invoice detailing demurrage charges amounting to \$26,130.00. (*See*, CMA CGM's email as **Exhibit L**).
26. These charges cover the duration from July 8, 2023, through September 27, 2023.

CAUSES OF ACTION

VIOLATION OF 46 U.S.C.A. § 41102(c)

1. **USL AUTO EXPORTING** incorporates by reference each of the facts and allegations stated in paragraphs 1 through 35 set forth herein.
2. 46 U.S.C. § 41102(c) prohibits a common carrier or ocean transportation intermediary from failing to "establish, observe, and enforce just and reasonable regulations and

practices relating to or connected with receiving, handling, storing, or delivering property.”

3. Respondent has failed to establish, observe, or enforce just and reasonable regulations and practices relating to its receipt, and handling of the **USL AUTO EXPORTING's** shipment.
4. The Respondent neglected to adhere to just and reasonable regulations by inaccurately declaring the shipment instructions, resulting in the cargo being returned to Savannah, Georgia. As a direct consequence of this oversight, the Claimant incurred charges including a basic freight fee of \$3,300.00, return fees amounting to \$3,310.00, and inspection fees totaling \$2,300.00, cumulatively amounting to \$8,910.00.
5. Respondent has failed to enforce just and reasonable regulations by not filing a declaration of the returned container causing the returned container to go to inspection.
6. Respondent has failed to enforce just and reasonable regulations by not paying the basic freight fees, return container fees, and inspection fees on time causing the returned container to incur demurrage fees of \$26,130.00.
7. Respondent has failed to enforce just and reasonable regulations by not paying the demurrage fees causing Claimant to lose the cargo. The cargo contains 4 vehicles for a total of \$31,800.00
 - a. 2005 TOYOTA TUNDRA - VIN:5TBKT42115S468135 - \$9,900.00
 - b. 2011 KIA SORENTO - VIN:5XYKT4A17BG175020 - \$4,500.00
 - c. 2012 YAMAHA FX SHO - VIN:YAMA3067B212 - \$7,500.00
 - d. 2006 LEXUS GX 470 - VIN:JTJBT20XX60123772 - \$7,500.00

- e. In addition to the vehicle losses, towing charges for these vehicles totaled \$1,800.00, and loading and trucking costs for the container stood at \$800.00.
8. The Respondent's actions, in contravention of their legal and professional obligations, deprived the Claimant of customary profits amounting to 40% on the shipment, translating to a loss of \$12,000.00.

DAMAGES

1. **USL AUTO EXPORTING** has been actually and materially injured by Respondent for financial damages of at least \$52,710.00 as a direct result of Respondent's violations of 46 U.S.C. § 41102(c), 46 U.S.C. § 41104(a)(3).
-

PRAYER FOR RELIEF

WHEREFORE, USL AUTO EXPORTING respectfully prays for relief from the Commission as follows:

1. An Order compelling Respondent to answer the charges made herein and schedule a hearing in Washington, DC during which the Commission may receive more evidence in this matter;
2. An Order, after due investigation and hearing, finding that Respondent has violated 46 U.S.C. § 41102(c), 46 U.S.C. § 41104(a)(3), 46 CFR § 545.4.
3. An Order compelling Respondent to cease and desist its wrongful, discriminatory, unjust, and retaliatory activities against **USL AUTO EXPORTING**;

48 Reduced, Delayed or Cancelled Booking Fees: If Shipper takes possession of containers and later returns all or any portion of the containers empty due to a reduction in or delayed loading of the expected units for that particular booking or out right booking cancellation, the Shipper or responsible party shall be liable for any charges resulting from use of Equipment, including but not limited to terminal charges due to the receiving and/or releasing depot, gate fees, terminal handling charges, truck charges, dray charges or any other associated fees assessed.

Units returned empty due to a reduction in or delayed loading of the expected units for a booking shall have no Free Time Detention (off dock terminal/CY), and no Free Time Demurrage (on dock terminal/CY). Shipper or the responsible party will be liable for any and all of these accrued charges as per Tariff.

49 For Automobile Shipments, send copies of titles as indicated on the Procedures for the Exportation of Self-Propelled Vehicles document provided with your booking confirmation.

Hello Easy Shipping,

re:2017 TOYOTA 4RUNNER VIN:5TBKT42115S468135

It has been determined that the shipment for NAM6206412 has
misdeclared cargo. The shipping instructions show that a 2017
TOYOTA 4RUNNER VIN:5TBKT42115S468135 was loaded, however
after review of the vin number indicates this vehicle to be a 2005
TOYOTA TUNDRA PICKUP.

A misdeclaration fee of \$2000 will be added to the bill and the
container will be returned to port of loading.

94. For the purpose of the present carriage, clause 14(2) shall exclude the application of the York/Antwerp rules, 2004.

16. Mis-declaration of cargo weight endangers crew, port workers and vessels' safety. Your cargo may be weighed at any place and time of carriage and any mis-declaration will expose you to claims for all losses, expenses or damages whatsoever resulting thereof and be subject to freight surcharge.

25. The shipper acknowledges that the Carrier may carry the goods identified in this bill of lading on the deck of any vessel and in taking remittance of this bill of lading the Merchant (including the shipper, the consignee and the holder of the bill of lading, as the case may be) confirms his express acceptance of all the terms and conditions of this bill of lading and expressly confirms his unconditional and irrevocable consent to the possible carriage of the goods on the deck of any vessel.

71. Important: Be reminded that you are loading to a country subject to international and national sanctions. We warn you that a Bill of Lading in breach of the sanctions will be issued and that, in the event that a Bill of Lading is nevertheless issued, we may, without any prior notice, return the cargo at your costs and expenses in accordance with the provisions of clause 10 of the CMA CGM Bill of Lading.

74. The Merchant is responsible for returning any empty container, with interior clean, free of any dangerous goods placards, labels or markings, at the designated place, and within 60 days following to the date of release, failing which the container shall be construed as lost. The Merchant shall be liable to indemnify the Carrier for any loss or expense whatsoever arising out of the foregoing, including but not limited to liquidated damages equivalent to the sound market value - or the depreciated value due by the Carrier to a container lessor. The Carrier is entitled to collect a deposit from the Merchant at the time of release of the container which shall be remitted as security for payment of any sums due to the Carrier, in particular for payment of all detention and demurrage and/or container indemnity as referred above.

58. Following the exceptional measures adopted by various governments in relation with the outbreak of COVID-19 virus and the operational constraints resulting thereof, the Merchants are hereby notified that the carriage of cargo may be disrupted or delayed. Cargo may not be loaded on the intended vessel and may be on forwarded to the port of destination on any alternative vessel at Carrier's sole discretion. Furthermore in case of disruption of ports' operations, the cargo may be discharged in an alternative port without notice and - subject to availability - be on forwarded to the original intended port of destination. Carrier reserves its rights to accomplish the bill of lading in any alternative port. All additional costs, including but not limited to storage, emurrage, plugging, monitoring at the alternative discharge port or extra on forwarding costs, shall be on Merchant's account and payable before delivery and the carrier shall have no liability whatsoever for any loss or damage resulting thereof.

66. The Merchant warrants that the particulars relating to the Goods have been checked and that such particulars are adequate and correct. In case of failure of the Merchant to comply with such warranty, the Carrier shall be entitled to charge the Merchant
