It has been determined that the shipment for NAM6206412 has misdeclared cargo. The shipping instructions show that a 2017 TOYOTA 4RUNNER VIN:5TBKT42115S468135 was loaded, how to be a 2005 TOYOTA TUNDRA PICKUP.

A misdeclaration fee of \$2000 will be added to the bill and the container will be returned to port of loading.

Good afternoon,
You will have to reach out to GPA and the shipping line for any payments due to them. CBP does not charge for exams.

Hi-

After reviewing the booking case of NAM6206412 emails and threads, it was brought to our attention that Khalid Arwini was directly addressing the case booking of NAM6206412 with all but not limited to our knowledge with CMA-CGM, Inbond Vessel Manager, and CBP.DHS initially stating that he is Khalid Arwini with "Easy Shipping Group" from email arwini.khalid@gmail.com. Unfortunately, we were not cc'd nor added into Khalid Arwini email attempts to plagiarize as an acting contact with Easy Shipping until CMA-CGM added our company into the group email as an additional contact if Khalid Arwini is not available.

I would like to bring this as an awareness of Khalid Arwini fraudulent action since Khalid Arwini is the "sender" customer of this booking only, and nor has or ever been an employee to Easy Shipping Corporation. Please obtain contacting Khalid Arwini as an representative for Easy Shipping Corporation, but only addressed as a "sender" customer for this booking.

Thank you,

--

Good day,

Understood. Per my manager's instruction, updating subject for IBVC attention and adding back in the group contact for Easy Shipping Corp. in case Khalid is unavailable.

IBVC/Client Solutions,

This cargo was a return shipment to the U.S. The general order matter is resolved and Officer Walker has confirmed full customs release. Arrangements need to be made to get this cargo ready for pickup. Cargo has gone for exam

and any relevant charges need to be invoiced. Since this is a return shipment, prepaid charges also need to be addressed before line release is triggered since this is a return shipment and Easy Shipping Corp. is the shipper. There are also demurrage fees at the terminal and instruction needs to be provided to the customer on how to pay those through EMODAL.

For any additional questions about the specifics on the situation with this shipment, please feel free to reach out to me directly.

Thank you!
