

**Before the
FEDERAL MARITIME COMMISSION**

Docket No. 24-01

**Visual Comfort & Co., Inc.
v.
COSCO Shipping Lines Co., Ltd.**

MOTION FOR TWO WEEK EXTENSION

COSCO Shipping Lines Co., Ltd. (“Respondent” or “COSCO”), pursuant to 46 C.F.R. Sections 502.69 and 502.102, respectfully requests a two-week extension of the deadline to provide additional search responses as ordered by the Presiding Officer on February 10, 2025, until March 26, 2025.

Respondent is in the process of conducting the searches ordered by the Presiding Officer; however, the scope of the data involved is quite broad, and Respondent cannot feasibly finish the search and review the results prior to March 12, 2025. For context, Respondent is looking at no less than 600 GB of expanded data from which we must then run the required searches. Respondent has opted to engage a discovery provider to conduct the searches more efficiently, but even this third-party provider requires additional time to process this massive quantity of data.

Respondent attempted to confer with counsel for Complainant regarding Respondent’s intent to file the instant Motion, but Complainant did not respond by time of filing.

Conclusion

For the reasons set forth above, Respondent respectfully requests a two-week extension to respond to the Presiding Officer’s Order to perform additional searches.

Dated: March 5, 2025
