v.

COSCO SHIPPING LINES CO., LTD, *Respondent.*

DOCKET NO. 24-01

Served: March 7, 2025

ORDER OF: Richard AMBROW, *Administrative Law Judge.*

ORDER GRANTING MOTION FOR TWO WEEK EXTENSION

On March 5, 2025, Respondent filed a Motion for Two Week Extension (the “March 5 Motion”) requesting that the deadlines set forth in my February 10, 2025, order be extended two weeks. On March 6, 2025, Complainant filed a response to the March 5 Motion, consenting to the extension.

By way of background, on February 10, 2025, I issued an **Order Requiring Respondent to Perform Searches Through November 28, 2022** (the “February 10 Order”). I do not repeat the February 10 Order verbatim here, but, in sum, I ordered that, no later than March 12, 2025, Respondent was to perform additional searches, supplement prior document productions, produce an affidavit describing the searches performed, and provide a general description of the documents produced. After a status hearing on February 18, 2025, I issued an **Order Following Status Hearing** (the “February 18 Order”) in which I denied Respondent’s Motion for Reconsideration of February 13, 2025, and I ordered supplemental briefing. I ordered that Complainant’s supplemental brief was due no later than March 26, 2025, and Respondent’s was due no later than April 9, 2025.

In light of this background, because Respondent appears to ask for a reasonable extension, and because Complainant consents to extension request, the March 5 Motion is **GRANTED**. The amended deadlines are set forth below. Respondent is advised that any further extension request will require a showing of extraordinary circumstances. Accordingly,

It is **HEREBY ORDERED** that no later than **March 26, 2025**, Respondent is to comply with the February 10 Order, subject to the clarifications described in the February 18 Order. It is

FURTHER ORDERED that Complainant is to file a Supplemental Brief, along with a supplemental proposed findings of fact and appendix, no later than **April 9, 2025**. It is

FURTHER ORDERED that Respondent is to file a Supplemental Brief, along with a supplemental proposed findings of fact and appendix, no later than **April 23, 2025**.
