Respondent

**RESPONDENT'S MOTION FOR EXTENSION OF TIME TO
FILE A RESPONSE**

Respondent, through its undersigned counsel, hereby moves for an extension of time to file a response in the above-captioned matter which response is currently due on Monday March 11, 2024. Respondent did not engage counsel until March 5, 2024 and Counsel will need more time to familiarize with the issues and the documentation relating to the claim.

This extension is needed to allow Respondent to locate documents and other information necessary to support Respondent's defenses. Complainants' allegations appear to refer to more than 100 invoices issued in 2002 and 2003. As Lihua currently does not serve the U.S., information relating to the carriage by Lihua and related documentation is located overseas.

An extension to April 10, 2024 will enable Respondent to gather the evidence

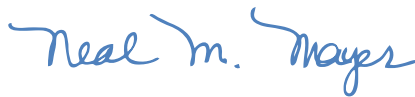

to support of its response and defenses. The extension will also afford the parties the opportunity to discuss a resolution of the matter either directly between themselves or with the help of CADRS.

Counsel for Respondent communicated with counsel for Complainant Impact Products, LLC. and Safety Zone, LLC (collectively "Supply Source"). Complainants' Counsel advised that Supply Source consents to the granting of the extension until Wednesday April 10, 2024.

Accordingly, Respondent respectfully submits that the extension is reasonable and requests that the time to respond to the Complaint be extended to Wednesday April 10, 2024.

RESPECTFULLY SUBMITTED,
