THE FEDERAL MARITIME COMMISSION

DOCKET NO. 23-01

SM LINE CORPORATION
Petitioner

VS.

SAMSUNG ELECTRONICS AMERICA, INC.
Respondent

**DECLARATION OF WOOK CHUNG
IN SUPPORT OF
SM LINE CORPORATION'S
PETITION FOR LEAVE TO DEPOSIT FUNDS AND STOP THE ACCRUAL OF
INTEREST IN SATISFACTION OF THE FEDERAL MARITIME COMMISSION'S
ORDER ON THE INITIAL DECISION AND RELATED REPARATION AWARD**

I, WOOK CHUNG, declare as follows:

1. I am a partner with the law firm Montgomery, McCracken, Walker and Rhoads LLP. I submit this Declaration on behalf of my client, SM LINE CORPORATION ("SM Line"), in support of SM Line's Petition for Leave to Deposit Funds and Stop the Accrual of Interest in Satisfaction of the Federal Maritime Commission's Order on the Initial Decision and Related Reparation Award ("Petition").
2. I am fully familiar with the fact set forth herein.
3. On August 13, 2026, the Commission issued its Order on Initial Decision ("Order") in this proceeding in which it directed SM Line to pay SAMSUNG ELECTRONICS AMERICA, INC ("SEA") a principal reparation award of \$1,913,355.80 with a statutory interest accruing from November 30, 2021. (23-01, Dkt. No. 157 p. 50)
4. On August 13, 2026, I sought instructions from the Commission as to the proper quantification of interest on the principal reparations award. (A true and correct copy of the August 13 email to the Commission is attached herewith as Exhibit A)

5. On August 14, the Commission responded stating “*Pursuant to the formula provided in 46 C.F.R. § 502.253: damages in the amount of \$1,913,355.80, plus interest in the amount of \$382,266.76 (from November 30, 2021, through August 13, 2026) for total reparations due in the amount of \$2,295,622.56.*” (Exhibit A)
6. On August 18, 2026, on behalf of SM Line, I contacted several SEA representatives via e-mail, offered payment of the full reparation amount inclusive of interest calculated as per 46 C.F.R. § 502.253, and requested the details required to remit the payment. (A true and correct copy of the August 18 email to SEA is attached herewith as Exhibit B)
7. SEA ignored SM Line’s tender and did not respond to SM Line’s email of August 18.
8. On August 18, 2026, I again sought instructions from the Commission as to the proper quantification of interest on the principal reparation award. (A true and correct copy of the August 18 email to the Commission is attached herewith as Exhibit C)
9. On August 18, 2026, the Commission responded stating “*Pursuant to the formula provided in 46 C.F.R. § 502.253: damages in the amount of \$1,913,355.80, plus interest in the amount of \$384,214.68 (from November 30, 2021, through August 21, 2026) for total reparations due in the amount of \$2,297,570.48.*” (Exhibit C)
10. On August 19, 2026, on behalf of SM Line, I sent a second email to the same SEA representatives, made a second offer of payment and again requested the details required to remit the payment. (A true and correct copy of the correspondence exchanged with SEA on August 19 and 20, 2026 is attached herewith as Exhibit D)
11. On August 19, 2026, on behalf of SM Line, I wrote a third email to SEA’s General Counsel in which I offered to remit payment for a third time. (See Exhibit D)
12. The third offer to remit payment contained the express assurance that SM Line's payment “*will be made without prejudice to, and with full reservation of, SEA's rights of appeal, including any appeal seeking additional reparations, and SEA's right to file an attorney's fees application with the ALJ.*” (See Exhibit D)
13. On August 20, 2026, SEA’s counsel responded to my message and, instead of accepting the tender of the funds and providing the details to remit payment, arbitrarily demanded from SM Line a payment largely exceeding the reparation amount awarded by the Commission:

*“SEA has considered SM Line’s proposal to pay \$1,913,355.80 plus interest owed from November 30, 2021, and rejects the proposal. To resolve this dispute, SM Line must pay an amount commensurate with SEA’s damages, interest, and attorney’s fees. Please let us know if SM Line is willing to discuss a payment of **\$20 million**.”* [emphasis added] (See Exhibit D)

14. On August 28, 2026, at my request, SM Line wired \$2,297,570.48 to its counsel Montgomery, McCracken, Walker and Rhoads LLP’s IOLA account for the explicit purpose of stopping the accrual of interest.

I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Executed this 31st day of August 2026, in New York, New York.

Dear Wook,

SEA has considered SM Line's proposal to pay \$1,913,355.80 plus interest owed from November 30, 2021, and rejects the proposal. To resolve this dispute, SM Line must pay an amount commensurate with SEA's damages, interest, and attorney's fees. Please let us know if SM Line is willing to discuss a payment of \$20 million.

Separately, this reference to sending some sort of letter to the FMC because SEA has not provided account information is inappropriate and outside the bounds of any FMC rule or regulation. Please be guided accordingly.

Chris.

SM Line's payment of the \$1,913,355.80 in reparations, plus interest owed from November 30, 2021, will be made without prejudice to, and with full reservation of, SEA's rights of appeal, including any appeal seeking additional reparations, and SEA's right to file an attorney's fees application with the ALJ.

That payment will likewise not prejudice or limit SM Line's rights and privileges to oppose, intervene, or otherwise respond to any such appeal or fee motion by SEA.

On that basis, please provide the account/payment information so SM Line can proceed.

Dear Wook,

You did not and do not have open-ended authority to contact SEA. You contacted an opposing party representative today when emailing Ken Murata after you unilaterally decided that your opposing counsel did not respond swiftly enough to your email of yesterday and today. This conduct is wrongful and Ken Murata has instructed me to advise you of same and that SEA reserves its rights.

Separately, SM Line's reading of the August 13, 2026, Order on Initial Decision is not accurate. SEA has a time period to consider its statutory right to appeal, and related to that decision, SEA is considering its statutory right to file an application for recovery of its legal fees as the prevailing party. If SM Line is contemplating voluntary payment of the \$1,913,355.80 awarded in reparations, plus the interest owed from November 30, 2021, without prejudice to, and with full reservations of, SEA's rights of appeal, including appeal seeking additional reparations, and its right to file an attorney's fees application to the ALJ, please advise. SEA will consider this request.

Taking Ken out

Chris,

I had your written authorization to directly contact Ken (General Counsel of SEA) before. So, I reached out to him after H&K did not respond to my request for account information. I've kept you in copy throughout.

To be clear on the substantive point, the Commission's order is for SM Line to pay SEA reparations plus interest. SEA's failure to provide account/wire information is preventing SM Line from complying with that order.

If SEA is withholding this information because it believes it is owed legal fees or has some other unresolved issue with SM Line, please state that position explicitly, along with the basis for it. Absent such a basis, I don't see a legitimate reason for the delay.

Please provide the payment/account information by today.
