Office of Administrative Law Judges

SAMSUNG ELECTRONICS AMERICA, INC., *Complainant*

v.

SM LINE CORPORATION, *Respondent*.

DOCKET NO. 23-01

Served: January 26, 2024

ORDER OF: Alex M. CHINTELLA, *Administrative Law Judge*.

ORDER GRANTING REQUEST FOR LETTERS OF REQUEST UNDER HAGUE CONVENTION

On January 16, 2024, Respondent SM Line Corporation filed two requests seeking Letters of Request for International Judicial Assistance Pursuant to the Hague Convention of 18 March 1970 on the Taking of Evidence Abroad in Civil or Commercial Matters. The first is directed to the Director of International Affairs, National Court Administration, Republic of Korea. It seeks documents from Samsung Electronics Logitech Co., LTD, a non-party to whom I previously issued a subpoena at SM Line's request. The second request is directed to the Supreme Court of Singapore. It seeks documents from Samsung SDS Asia Pacific PTE. LTD, another non-party to whom I previously issued a subpoena at SM Line's request. The proposed letters of request mirror those subpoenas, seeking documents related to the shipments at issue in the complaint.

While I encourage the parties to use the model forms for Hague Convention requests, SM Line's proposed letters of request appear to contain the necessary information pursuant to Article 3 of the Convention. Therefore, I authorize SM Line to utilize the Hague Convention procedures in seeking documents from Samsung Electronics Logitech Co., LTD and Samsung SDS Asia Pacific PTE. LTD order SM Line to comply with all applicable laws of the Republic of Korea in doing so. The Letters of Request, with minor corrections, are attached. Counsel for SM Line must file this Order and the Letters of Request, together with any necessary supporting documents or translations – including a copy of the complaint and answer – with the relevant authorities.
