FORMUKLEEN, INC., *Complainant*

v.

TOP SHIPPING SYSTEMS, CORP., *Respondent*.

DOCKET NO. 25-08

Served: November 13, 2025

ORDER OF: Richard AMBROW, *Administrative Law Judge*.

**ORDER REQUIRING JOINT STATUS REPORT, JOINT MOTION TO EXTEND (IF NECESSARY) AND
JOINT MOTION FOR PROTECTIVE ORDER (IF NECESSARY) BY NOVEMBER 20, 2025**

The parties are **ORDERED** to provide a joint status report by **November 20, 2025**. In the joint status report, the parties are to provide an update on the status of discovery, and any other issues that have arisen.

Discovery is currently scheduled to close December 5, 2025. If the parties need additional time for discovery, the parties are **ORDERED** to make a joint motion to extend discovery by **November 20, 2025**.

On September 23, 2025, I issued an Order Requiring Supplemental Motion for Protective Order (the "September 23 Order"), requiring the parties to file a joint protective order. The parties did not comply with the September 23 Order. Instead, Complainant filed its Supplemental Complainant's Motion for Protective Order ("Supplemental Motion"), asserting that Respondent failed to respond timely to Complainant's proposed protective order. I expect the parties to comply with the timelines set. If a protective order is still necessary, the parties are **ORDERED** to file a joint motion for protective order by **November 20, 2025**. If Respondent again fails to work cooperatively with Complainant, Complainant may renew its Supplemental Motion, along with evidence of Respondent's failure to cooperate. If necessary, I will consider the renewed Supplemental Motion, along with any response, and I will issue an appropriate order at that time.

The parties are reminded of their professional obligation to work cooperatively regarding procedural issues to conserve resources and to focus on the dispositive issues that will ultimately resolve this matter.
